Money From Sales Will Be Used
For Shelby County
Children

April is here and with April comes Easter, and with Easter, the drive for funds for the Alabama Society for Crippled Children.

Montevallo is glad, of course, of the opportunity to give to this worthy cause. We are joining the rest of the state in the annual appeal for membership in the Alabama Society for Crippled Children.

Mrs. E. P. Hood, chairman of the drive in Montevallo, has a very active committee working and hopes by next week to be able to print a complete list of all Montevallo folks who have joined the society.

Membership in the Alabama Society for Crippled Children is \$1. This is matched by state and federal funds and comes back into Shelby County and is spent on Shelby County crippled children. Eighteen Shelby County children were treated last year.

As this paper goes to press Mrs. Hood wishes to state that so far her committee has raised \$65.00.

If you have not been contacted and wish to help this worthy cause by joining the Alabama Society for Crippled Children, please call Mrs. Hood at telephone 61-J or any member of her committee, Mrs. F. W. Lacey, Mrs. L. C. Parnell, Mrs. F. P. Givhan, Mrs. G. T. Towery, or Mrs. W. F. Tidwell, and they will call on you at once.

STUDIOSIS CLUB HOLDS MEETING FOR APRIL

Studiosis held its April meeting Tuesday evening in West Main Parlor, at Alabama College, with the new president, Miss Dawn Kennedy, presiding. Other new officers elected and present were: Mrs. Isobel Bruce, vice president; Mrs. Glennie Nybeck, recording secretary, Miss Lorraine Pierson, treasurer; Mrs. E. P. Hood, corresponding secretary; and Mrs. Mary McCoy, parliamentarian.

Miss Dawn Kennedy and Mrs. Isobel Bruce were selected as the club's delegates to the annual Federation meeting in Auburn this month, with Miss Elizabeth Allen as alternate.

After a violin selection by a college student, Dr. A. W. Vaughan gave a delightful talk on "The Meaning of Culture in the South."

Ice cream, strawberries and cake were served by the following hostesses: Mrs. C. G. Sharp, chairman, Miss Lenice Vaughan, Miss Ann Walker, Mrs. G. T. Towery, Mrs. Peters, Dr. W. Peck, Miss Lulu Palmer, Miss L. McLaughlin, Mrs. H. LeBaron, and Miss Blanche Frazer.

Miss Jean Lewis, a student at the University of Alabama spent the week-end with her parents, Mr. and Mrs. J. R. Lewis.

Mesdames C. H. Fore and Hugh Shaw of Columbiana were visitors in town Sunday afternoon.

Alabama motorists spent approximately \$45,000,000 last year for gasoline, \$5,000,000 for oil and \$10,000,000 for accessories and repairs. The estimated value of the cotton crop, exclusive of seed is placed at \$60,000,000.

Dr. A. Hines and Mr. Tom Lee of Siluria were visitors in town Wednesday.

Eighty-seven per cent of the present population of Alabama are natives of the state.

The United States Bureau of Agricultural Economics looks for no marked change in the general level of prices received by farmers during the next few months.

College Association Meeting In Dallas

The regular meeting of the Southern Association of Colleges and Secondary Schools was held at Dallas, Texas, from March 28 through April 1. The Commission met on March 28, 29 and 30, and the joint programs were held on March 31 and April 1. While a great deal of business was transacted the outstanding speakers who addressed the association were Walter Crosby Eells, Coordinator of the Cooperative Study of Secondary Education; Doctor George F. Zook, President of the American Council on Education, Teachers College, Columbia University; Doctor Harl Douglas, Head of the Department of Education, University of North Carolina; President T. O. Walton, Texas Agricultural and Mechanical College and Dean H. E. Hawkes, Columbia University.

The attendance was good, and interest in the work of the association ran high. Those attending from Alabama College were President and Mrs. A. F. Harman and Dean T. H. Napier.

Dr. Napier has been a member of the Higher Commission since 1935. He served last year as first vice president and was elected at the recent meeting as a member of the Executive Committee. The Southern Association of Colleges for Women meets at the same time the meeting of the Southern Association is held. Dr. Napier was on the program for this meeting and is chairman of the Curriculum Commission of the Southern Association of Colleges for Women.

PETE JARMAN VISITOR HERE LAST WEEK

Congressman Pete Jarman was a visitor to Montevallo a short time last Thursday. He came to Alabama to attend the funeral of his uncle, and has already returned to Washington.

"Tell my friends hello for me through The Times," he said. "I will be back home just as soon as I can get away from duties at Washington, at which time I hope to visit all over our District."

REPUBLICANS TO MAKE NOMINATIONS MAY 3

Legal notice has been filed with the Probate Judge, setting forth that all electors, without regard to past political affiliations, who believe in the principles of the Republican party and endorse its policies, may vote in said primary.

The following named persons have qualified as candidates, viz:

For State Senator, 15th Senatorial District, Fred S. Allen.

For Member of Legislature, Hardy Nolen and Mark Sims.

For Sheriff, E. V. Waldrop.

For Tax Assessor, W. F. Atchison.

For Tax Collector, J. W. Roper.

For County Treasurer, Roy Moore and J. Frank McEwen.

For Chairman Board of Revenue, R. D. Crim and Geo. H. Stewart.

For Member of Board of Revenue, 2nd District, E. W. Moreland.

The primary will be held at the same time and places as the Democratic primary, but with a different set of managers.—Shelby County Reporter.

Mrs. F. F. Crowe has returned to Montevallo after spending the winter in Florida.

PRESBYTERIAN CHURCH

"That Man on the Cross" is to be the sermon theme of the Rev. Augustus J. Cox next Sunday morning at the 11 o'clock worship service. The Sacrament of the Lord's Supper will be celebrated at this service. Both the members and friends of the church are urged to attend—and welcome!

The Church School will meet at 9:45 a.m. under the guidance of its superintendent, Mr. W. J. Kennerly.

Due to the absence of the students from the campus, for spring holidays, the next meeting of the Christian Endeavor will be on Sunday, April 24.

Alabama College Beauty Number One

MISS EMILY NICOLSON

A jury of artists has chosen Miss Emily Nicolson, a Sophomore, as the No. 1 beauty at Alabama College, Montevallo. From a group of 15 finalists she is named to lead the beauty section of the Technala, college yearbook. Miss Nicolson, an honor roll student and a member of the Student Senate, is the daughter of Mr. and Mrs. R. D. Nicolson, of Selma.

MARGARET ANN HENDRICK CELEBRATES BIRTHDAY

Margaret Ann Hendrick entertained a few of her friends with a theatre party, celebrating her seventh birthday.

After the show the birthday gifts were opened and then they entered the dining room where a beautiful cake was cut and ice cream was served. In the center of the table was a beautiful blue bowl of pansies with lighted candles on each side.

Those attending the party were: Helen Hood, Margaret and Juila Susan Sharp, Tootsie Clayton, and Teddy Ziolkowski. The guest of honor was Miss Lela Wade Rice.

Miss June Reid of Montgomery spent the week-end with her parents, Dr. and Mrs. J. I. Reid.

METHODIST MISSIONARY SOCIETIES JOINT MEETING

Circles 1 and 2 of the Methodist Missionary Society held a joint business meeting at the church Monday afternoon.

The program opened with the song, "Lord Speak to Me." Mrs. O. B. Cooper led the meditation. Mrs. Cooper also gave a very interesting report of the Woman's Missionary Conference held in Sylacauga. The meeting was adjourned with the Mesdames E. F. Mulkey, C. H. watch word. Those present were: Mahaffey, George DeShazo, Arthur H. Tatum, T. H. Napier, O. B. Cooper, H. E. Latham, W. P. McConaughy, W. C. Weems, Lena Duran, J. A. Brown and Edwin Jones.

Dixon Rides High On Public Favor

Frank Head Says, "Bibb Saw a War

Eagle and Thought It Was

A Peckerwood"

Fulfilling his promise to carry his campaign to every section of the state, Frank M. Dixon, gubernatorial candidate, entered Northern Alabama again this week, opening at Scottsboro Monday morning before one of the largest crowds ever gathered in that section. The time of the speech was moved back an hour for the arrival of busses and trains which brought added hundreds to the thousands already gathered in Scottsboro for its big Spring Trade Day.

Dixon swung over into Madison County and spoke to an overflow crowd in Huntsville at 7 Monday. Tuesday morning he spoke at Gunterville and then cut across Sand Mountain to speak again in Oneonta at 2 p.m. that afternoon. After spending Tuesday night at home, one of his few pauses during the campaign, he addressed Shelby County voters at 10 a.m. Wednesday in Columbiana, and spoke at 2 p.m. in Clanton.

The remainder of the week's itinerary will carry him through the east central counties. He will speak at Wetumpka at 10 a.m. Thursday and at LaFayette at 7:30 p.m. Friday he will make a speech at Wedowee at 10 o'clock and at Ashland at 2 p.m. He will end the week with a speech in Anniston at 2 p.m. Saturday.

Dixon is continuing his campaign along the lines of the keynote he struck in his opening speech at Greenville three weeks ago, lashing out at abuses and waste in the present administration and promising the school system when he takes office.

His friends throughout the state have a new rallying cry, "Peckerwood," and clubs by the score are springing up automatically. The voters have seized upon the Graves designation of Dixon as an affectionate nickname, replacing the "War Eagle" of four years ago, and are advancing the value of the woodpecker to Alabama farmers as a reason for boosting the bird. Bright stickers, depicting the red-headed woodpecker drumming on rotten timber, are appearing on cars all over the state.

Another Dixon movement has been begun by young men and scores of "Young Men for Dixon" Clubs are being formed in every section of the state. In the main the members are young voters who will cast their first votes for governor in the forthcoming primaries May 3.

MAJOR DIXON IN SHELBY COUNTY WEDNESDAY

Major Frank M. Dixon, candidate for Governor of Alabama, was in Shelby County Wednesday on his rapid-fire speaking tour of the State.

Wednesday morning at 10 o'clock he addressed a large audience at the Courthouse in Columbiana.

Immediately following this address he came to Montevallo where he was the guest of Montevallo Civic Club at luncheon.

Mr. Dixon did not make an address to the club. When called upon he spoke for only a few minutes, in which he voiced his appreciation of the splendid support he is receiving throughout the County of Shelby.

From here Major Dixon went to Clanton to speak Wednesday night at the Chilton County Courthouse.

BROTHERHOOD CLASS

The Men's Brotherhood Class will meet, as usual, on Sunday morning at 10 o'clock in the Strand Theatre. Rev. A. J. Cox will teach the class.

Friend! If you are in no other Bible class—we welcome you to this one. You need no other invitation than this. You will find amongst us a congenial fellowship which you will enjoy.

DIXON IN THE FIRST PRIMARY!

Why should not his supporters raise the banner, "Dixon in the first Primary?"

Why should this aimless pillow fight go on?

The fact that Dixon speaks for the hearts of Alabamians at this time is in no way derogatory to some of his admirable opponents.

There is a time for a politician to run and time not to run. It is plain to every disinterested observer that this is Dixon's time to run.

The people want Dixon and the people are going to nominate Dixon.

They will do so with the utmost respect for some of his opponents, but they will nominate him nevertheless.

Dixon's opponents are butting their heads against a stone wall and wasting their money as recklessly as w landlubbers hear that sailors when tead-up, waste theirs in Oriental ports.

From The Valley to The Gulf the story is more or less the same.

There isn't going to be any run-off.—Montgomery Advertiser.

ALABAMA COTTON GROWERS OFFERED \$20,000,000 CASH

Auburn, Ala.—Alabama farmers can qualify for about \$20,000,000 in benefit and parity payments this year, announces P. O. Davis, director, Alabama Extension Service, in calling farmers' attention to conservation features of the 1938 Agricultural Conservation Act.

About \$10,000,000 of this amount is available in benefit payments for carrying out soil-building practices, such as terracing, planting legumes, seeding and fertilizing pastures, planting and protecting forest areas, constructing reservoirs and dams and contour ridging of open pasture land.

The other \$10,000,000 will go to farmers in the form of cotton adjustment payments in an effort to give farmers their fair share of the national income.

To be eligible for these payments it is necessary for farmers to cooperate under the new farm program.

In an effort to get cotton acreage allotments to each Alabama farmer before planting time, county and state AAA employees are working days and nights, Sundays included, rushing the work just as much as possible. Allotments have been made to about one-half of the counties in the state and good progress is being made in establishing individual allotments in the remaining counties.

Mr. Davis is advocating that farmers use their extra land this year in growing more food and feed crops, pastures, and forest trees. The importance of farmers doing this, and of increasing their livestock and poultry production, is emphasized by the fact that last year Alabama imported some \$40,000,000 worth of farm products from other states.

ALDRICH NEWS

Billy Evans was host recently when members of the Blue Bird Club met at his home. "The Yellow Warbler" was the topic of study. Several members told interesting true bird stories. It was decided to purchase cat bells for the community cats as a protective measure to the birds. Plans were made to take pictures of the club members in the park at the next meeting. "The Chick-a-dee" will be the subject for discussion at the next meeting. The Bird Club members have sold one hundred stamps for the Shelby County Crippled Children's Clinic.

G. C. WALKER
(Paid political adv. by G. C. Walker, Clanton, Ala.)

State and federal agricultural workers are waging a gigantic war against the white fringed beetle, discovered in the United States for the first time in 1937 at Florala, Ala., announces G. L. Harris, Alabama Department of Agriculture. "Hundreds of engineers, technicians and common laborers are working solid time in areas covering about 3,000 acres in an effort to control the pest with chemicals, flame throwing and spraying machinery and barrier ditches," he says. "At the same time farmers are cooperating by cleaning up infested properties, by growing less acreage to crops on which the bug thrives and by using trap crops to which poison is applied."

Several Southern agricultural and business leaders have joined in a movement advocating that farmers and consumers demand their flour, feed, seeds, fertilizer and everything else they buy in bags, to come to them in cotton bags. This is being done to help use surplus cotton now on hand.

Mrs. L. W. Nederkarn and little daughters, Le Moyne and Nell Peterson, of Chicago, are spending several months with Mrs. Nellie Peterson.

STATE OF ALABAMA A PROCLAMATION BY THE GOVERNOR

Whereas, the Legislature of Alabama at the Extra Session 1936-37 ordered an election to be held by the qualified electors of the State of Alabama upon a certain proposed amendment to the Constitution of Alabama, which said amendment is herein set out, and ordered that said election be held on the First Tuesday in May 1938; and

Whereas, the First Tuesday in May 1938 will be and occur on Tuesday, May 3, 1938; and

Whereas, notice of such election, together with the proposed amendment is required by law and by the provisions of the Act submitting said amendment to be given by a proclamation of the Governor to be published in each County in the State of Alabama once a week for four successive weeks immediately preceding the said 3rd day of May 1938:

Now, therefore, I, Bibb Graves, as Governor of the State of Alabama, do hereby give notice, direct and proclaim that on Tuesday the 3rd day of May 1938, an election shall be held at the several polling places within the State of Alabama for the vote of the qualified electors of the State of Alabama, in the manner and form provided by law, upon the following Amendment to the Constitution of the State of Alabama of 1901, as follows:

"Section 138 of Article 5.—A Sheriff shall be elected in each County by the qualified electors thereof who shall hold office for a term of four years unless sooner removed, and he shall be eligible to such office as his own successor. Whenever any prisoner is taken from jail, or from the custody of any Sheriff or his deputy, and put to death, or suffer grievous bodily harm, owing to the neglect, connivance, cowardice, or other grave fault of the Sheriff, such Sheriff may be impeached, under Section 174 of this Constitution. If the Sheriff be impeached, and thereupon convicted, he shall not be eligible to hold any office in this State during the time for which he had been elected or appointed to serve as Sheriff."

I further direct and proclaim that notice of this election upon Tuesday the 3rd day of May 1938, upon the above set forth amendment to the Constitution of the State of Alabama of 1901, be given by publishing the same once a week for four successive weeks next preceding Tuesday the 3rd day of May 1938, in each County in the State of Alabama in a newspaper published in said County.

In witness whereof I have hereunto set my hand and have caused the Great Seal of the State to be affixed at the Capitol in the City of Montgomery, on this the 16th day of March, 1938.

A Letter From John A. Darden, Candidate For Circuit Solicitor, To The Voters Of The Eighteenth Judicial Circuit.

TO THE VOTERS OF CLAY, COOSA AND SHELBY COUNTIES—THE EIGHTEENTH JUDICIAL CIRCUIT OF ALABAMA:

It is now definitely known who will be the candidates for the several offices in the approaching Democratic Primary or Primaries. In my race for circuit solicitor, I have only one opponent, the incumbent, who has held the office of circuit solicitor for twelve years, three full terms, when his present term expires. He is now running for a fourth term.

I know and appreciate the duties and responsibilities of this important office. From a general experience in the practice of the law, and from 8 years experience as county solicitor of Coosa. I believe I am qualified to efficiently and impartially discharge the duties of this office. I will do my best.

I shall have no partner in the practice of the law, and my time shall be devoted to the discharge of the duties of the office of circuit solicitor that is necessary. I shall not take any damage suits growing out of the commission of any crime, during my term of office. I will appoint in Clay and Shelby Counties, new county solici-

itors who are capable and well qualified for the duties of the office. Coosa elects County Solicitor. I shall visit and be in the other counties of the circuit, other than times of holding court, to keep myself well posted on what is going on in each county. It will not be necessary for the Governor to advise me what my duties are in the suppression of any kind of crime or violations of the criminal laws. Of all officers, circuit solicitors should not move along the paths of least resistance.

The 18th Judicial Circuit was created in 1919. Since that date Shelby County has furnished three circuit judges and two circuit solicitors; Clay County has furnished, also 3 circuit judges and has furnished the circuit solicitor for three full terms—twelve years—when the present term expires in the person of the incumbent—my opponent. COOSA COUNTY HAS NOT FURNISHED NOR HAD A CIRCUIT OFFICIAL—NOT EVEN A COURT REPORTER.

Under the fair and just principle of rotation of the office of circuit solicitor, and by all rules of right and reason, it is NOW COOSA'S TIME TO FURNISH THE NEXT CIRCUIT SOLICITOR. Hundreds of voters in Clay and

Shelby have already expressed themselves as recognizing the just rights of Coosa County furnishing the next Circuit Solicitor, which is duly appreciated by me.

My opponent, when he ran the first time for this office, was in favor of rotation of this office. I was then, and still am, in favor of rotation of the office and voted for him on that ground as Shelby County then had had this office approximately seven years. We are appealing to the voters now to see by their votes that the rotation principle still is observed, just like the office of State Senator is in the district.

I am a firm believer that two terms of the same office in succession is long enough for any man to serve, and this is true in the office of circuit solicitor.

I respectfully solicit the vote and influence of every voter in the circuit, and assure them in advance, of my appreciation and gratitude, and promise them to make them an efficient, courteous, fair and an impartial official, if I am honored by them with this important office.

Yours very truly,
JOHN A. DARDEN

ALABAMA FARMERS LED IN TERRACING LAND 1937

Auburn, Ala. — By terracing 300,000 acres in 1937, Alabama Farmers led the nation in the numbers of acres of land terraced, reports J. E. Wilson, agricultural engineer, Alabama Extension Service. "From 1925 through 1937 Alabama farmers terraced 2,196,936 acres," he says in reporting that "at the rate we are now going it will take 45 to 50 years to terrace all the Alabama farm land needing to be terraced."

Mr. Wilson emphasizes the importance of farmers terracing their lands by pointing out that there is only six acres of land to each person in Alabama and that this must be maintained and improved to continue feeding and clothing the population of the state.

We cannot afford to miss the benefit payments or the AAA program," he says in further emphasizing the importance of terracing land. Every benefit from this program should be applied judiciously to the land on Alabama farms.

"When terracing is well done, we have made only the first move to erosion control," he continues. "Erosion between terraces must be controlled by contour tillage—running the rows with terraces. In addition, cover crops must be kept on the land as much as possible. The old idea of leaving the land clean must be abandoned."

RURAL PEOPLE ADVISED TO EAT MORE HEN EGGS

Auburn, Ala.—Alabama farm people can improve their health by using more eggs in their diet.

In addition, eggs add richness, flavor and delicacy and improve the texture of almost any kind of dish.

Authority for these facts is Helen Kennedy, extension nutritionist, who reports that "eggs contain some of the most important sources of body building material."

"Eggs, rich in high quality protein, minerals and vitamins, may be used in the diet in some form each day," she says. "Since they may be prepared in many ways and combined with almost all other foods, they are suitable for any meal during the day."

Combinations of eggs and meats or eggs and vegetables are appropriate for dinner and supper, she advises. Egg desserts also are suitable for either of these meals. Plain egg dishes are more commonly used for breakfast while egg sandwiches are extensively used in school lunches.

Eggs are much better for the human body when properly prepared. They should be cooked at a moderate, even heat. They are more easily digested if cooked at a temperature below the boiling point, as boiling toughens the albumen or white. If cooked at a temperature below the boiling point, the white is soft and jelly-like.

Farm women interested in learning more and better ways of utilizing eggs may obtain a copy of Circular 74 entitled "Recipes," from their home agents or by writing the Alabama Extension Service, Auburn.

ALABAMA IS GOOD BEEF CATTLE PRODUCING STATE

Auburn, Ala.—Beef cattle production should receive serious consideration by Alabama farmers interested in supplementing their cotton cash income, believes Dr. R. S. Sugg, livestock specialist, Alabama Extension Service.

"Our long growing season, well distributed rainfall, and cheap land are factors that favor a beef cattle industry in Alabama," he says. "We have much land that is unsuitable for crop production that could be made to grow grass, which if marketed through beef cattle, would add a considerable amount to the owner's income."

"The by-products of our two main cash crops—cotton and peanuts—in the form of cottonseed meal, cottonseed hulls, and peanut meal, make excellent feeds for wintering beef cattle."

"In addition, permanent hay crops, such as kudzu, alfalfa, and Johnson grass can be successfully and economically grown in most sections of the state. By growing sorghum silage and using a trench silo we can have a supply of cheap roughage which is essential to the economical production of beef cattle."

Dr. Sugg advises that the successful beef cattle producer is the man who plans his operations for a long period of years, improves his pastures, produces cheap roughage, conserves the manure, constantly improves the quality of the herd by using a carefully selected purebred herd bull and has the product ready for the market at the season when there is the greatest demand.

Farmers planning to grow beef cattle should make plans to remain in the business for several years. The "in and out" usually loses money, he concludes.

If prosperity is to be judged by income tax collections, Alabama is the most prosperous state in the Union. The increase for the nation for the past year was 18 per cent. For Alabama it was 100 per cent over last year. The Federal Government collected twice as much income tax from Alabamians last year as it did the preceding year.

Miss Dorothy Baker, Mr. Bobby Baker and Mr. Charlie Lacey of Birmingham were the guests Saturday night of Miss Mary Hilda Peters.

Alabama farmers voted 23 to 1 for cotton marketing quotas for 1938. The vote was 213,525 for quotas and 9,329 against. By casting only 4 votes against it, Lowndes County farmers had the least votes against quotas while DeKalb cast the largest number against it. The negative vote in DeKalb was 933.

Mrs. F. B. Pearson is at home after a visit with relatives in Sand Mountain.

Miss Beatrice Fancher spent several days of last week with Mrs. C. H. Fore in Columbiana.

Mrs. Zettie Fulford, Clifford, and Alice Nelle shopped in Birmingham Saturday.

Mesdames F. H. Frost, Noah Taff, and J. C. Rogers were in Birmingham Wednesday.

Mrs. Polly G. Lester of Montgomery spent the week-end with her parents, Mr. and Mrs. R. E. Gallo-way.

Miss Mary Hilda Peters is home after a visit with relatives and friends in Birmingham for the last few weeks.

SPORTS

The game scheduled with Maplesville for last Friday was called off at the last minute. A game was scheduled for yesterday against Vincent, but the score will have to be published next week. Friday, Montevallo plays her first Central Alabama League game with Centerville, on Montevallo's diamond. Coach Hicks has about worked some of the "foolishness" out of his players (it looks like we are going to have a clown line-up this year) and has them clicking for a good season. Let's all turn out for the game Friday, and show some real support for a good start.

By request we are going to print the schedule as it now stands for the second time:

Wednesday, April 6, Vincent, there.

Friday, April 8, Centerville, here.

Wednesday, April 13, Centerville, there.

Friday, April 15, Columbiana, there.

Friday, April 22, Columbiana, here.

Wednesday, April 27, Clanton, here.

Friday, April 29, Plantersville, here.

Wednesday, May 4, Vincent, here.

Friday, May 6, Clanton, here.

Friday, May 13, West Blocton, here.

Friday, May 20, West Blocton, there.

As you can see, there are several open dates. Coach Hicks hopes to fill these with non-league games.

Wednesday Afternoon Club

Mrs. T. H. Napier was hostess Wednesday to the Wednesday Afternoon Club. Those present were Mesdames A. C. Anderson, J. S. Ward, M. L. Orr, M. P. Jeter, R. A. Reid, J. I. Reid, J. M. Reynolds, J. I. Riddle, J. A. May, T. H. Napier, Ottis Woolley of Six Mile, and four visitors, Mesdames Louise Coleman, C. G. Sharp, M. Ziolkowski, A. W. Vaughan. A salad course was served.

Mrs. J. A. Moore was in Birmingham Tuesday.

Mrs. H. L. Bledsoe and Miss Willie Gould spent the week-end in Columbiana with relatives.

Miss Margaret Burgin of Gadsden was a visitor in town Sunday.

Dr. J. A. Moore is visiting his brother, Dr. C. W. C. Moore in Talladega.

Mrs. W. B. Morrell of Gadsden is visiting her sister, Mrs. S. M. Mahan and Mr. Mahan this week.

We are glad to report that Mrs. S. M. Mahan is improving after a recent illness. We wish for her a very speedy recovery.

Mr. E. K. Wood, of Calera, has taken the place of Alvin Stinson, representing Brow-Service Funeral Company in Montevallo area.

Jim Lecroy of Calera was a business visitor in Montevallo last Saturday.

Mr. Clifford Gregg of Tuscaloosa was a visitor in town Sunday.

Mr. C. D. Tatum, Mr. Emmett Waldrop, Mr. Burr Harris made a business trip to Birmingham Tuesday.

Mr. R. E. DeSear and Mrs. Ladean Baldwin made a business trip to Birmingham Wednesday.

Mr. Travis Hartley and Mr. Fred Spagnolia of Gadsden spent the week-end with Mr. and Mrs. R. W. Hartley.

Mr. and Mrs. Knox Woolley of Columbiana were visitors in town Monday.

Mr. Walter M. Shaw made a business trip to Bessemer Tuesday.

Miss Winer Entertains

Miss Honor Winer entertained with a bridge party April 2, in honor of Miss Edith Brissack, of Dallas, Texas. After an evening of bridge with Miss Brissack being presented with the guest prize, and Miss Dawn Kennedy taking the high score prize, an ice course was served to the following guests: Misses Marva Hough, Martha Allen, Charlotte Claybrooke, Hattie Lyman, Marion Jones-Williams, Elizabeth Stockton, Katherine Farrah, Dawn Kennedy, Edith Saylor, Susie Marshall, the honoree, Miss Brissack, and the hostess, Miss Winer.

Miss Sally Ben Beeler has returned to her home in Boston, Ky. after spending the winter with her sister, Mrs. T. H. Napier, and Mr. Napier.

We are glad to report that Mrs. W. J. Kennerly is improving after an operation at the Gorgas Hospital.

Mrs. L. L. Passmore of Chicago is visiting her sister, Mrs. J. R. Gilbert, and Mr. Gilbert.

Mrs. W. B. Loztin of Carrollton spent several days of last week with her niece, Miss Lucie Hood.

We are sorry to hear of the misfortune of Miss Olivia Lawson. She is now at a Birmingham hospital with a broken arm.

Circle 1 of the Methodist Missionary Society will meet with Mrs. W. L. Gravelle Monday, April 11, at 3 p.m. Mrs. L. C. Parnell will be program leader.

Dr. Fred B. Pearson, Mrs. Mattie Hubbard, Cleophus Hubbard, and Opal Gibson, of Alabama College attended a B. Y. P. U. convention in Mobile the first part of the week.

Miss Lela Wade Rice visited her mother in Nashville over the week-end.

Mesdames R. A. Reid, J. I. Reid, M. P. Jeter and M. L. Orr shopped in Birmingham Tuesday.

Mrs. M. R. Tate and children, Billy and Jean, left today to spend the rest of the week in Tuscaloosa with relatives.

Mr. and Mrs. Teck Galloway and little son have moved to Siluria where Mr. Galloway has accepted a position.

Mr. Frank Miller made a business trip to Rome, Ga. Tuesday.

Mrs. A. W. Vaughan and Miss Lenice Vaughan shopped in Birmingham Tuesday.

Mr. and Mrs. A. C. Anderson and Bob spent Sunday in Birmingham.

Mr. and Mrs. Neal Sarasohn and daughter, Faye, and Mr. and Mrs. Abe Stein, all of Birmingham were Sunday guests of Mr. and Mrs. Sam Klotzman.

WILTON NEWS

Miss Evelyn Saunderson spent the week-end in Shady Grove with friends.

We were saddened by the death of Mrs. Mamie Smitherman, of our town, who died Sunday morning after a long illness. She is survived by three daughters, Mrs. Sam Lindsay, of Tarrant, Mrs. Raymond Hayes of Six Mile, and Mrs. Ernest Phelps of Aldrich; three sons, A. P. of Centerville, J. D. and James of Wilton; her mother, four brothers, and two sisters. The funeral was conducted by Rev. A. B. Canant, at the Shady Grove Baptist Church in Bibb County. Interment was in Shady Grove Cemetery, Jeter in charge. Our deepest sympathy is extended to the bereaved family and relatives in their sorrow.

Judge L. B. Riddle of Columbiana will speak at the Baptist Church here Sunday morning at 11 o'clock. All laymen are especially urged to be present. We will all want to hear this talented speaker who is vice president of our County Board of Education.

Mrs. M. R. Hogan, Sr., and Betty Ann returned last week from a visit with relatives in Andalusia.

A very pleasing sight along the road through our town is the preparation for paving which will be finished in mid-summer.

Mrs. Lillie Fancher returned from a visit in Birmingham last week.

Mrs. Bessie Mae Parrot of Calera spent Tuesday afternoon at home.

Mrs. M. N. Fancher and Mrs. Edith Carothers motored to Centerville Tuesday afternoon.

Two New Gates to Campus Will be Finished by May 20

Scene: Construction of the new northeast gate to Alabama College campus at the end of Highland Avenue. Mr. W. M. Jones-Williams, supervisor of the work, is seated in his chair nearby, his keen eye seeing that every brick and every stone is laid in exactly the proper place to make the perfect structure which is vividly pictured in his mind.

I pause for a chat with him about the project, and the chat is prolonged into an hour of discussion, including a great many things about the College, its history, its people, its buildings, the trees, the grounds, the squirrels—and its gates—the significance and sentiments of college campus gates with a class insignia thereon, and the ties that are fastened to the gates at one end, the other ends reaching down through many years and binding many people with memories, stories and traditions of incidents that were enacted within those gates.

When I stopped I had in mind to get Mr. Jones-Williams to tell me how the new gate will look when finished. He did not tell me. He showed me the plans and blue prints, which are almost an exact picture. Then, he said, if that is not sufficient, just stop and look at the gate near Palmer Hall, and you will see a structure of which this will be an exact duplicate; only the new gate is built to a scale one and a half inches larger, over all. This is due to the fact that our brick of today are a fraction smaller than bricks were made twenty-three years ago. Well, that was definite enough to satisfy my desire to know what the new gate will look like.

I was impressed by the observation that the plans by which the gate is being built bear the date of May 3, 1915. They are the self-same, identical plans by which the gate near Palmer Hall was constructed 23 years ago. Mr. Jones-Williams has preserved them. He foresaw a time that was to come when the two gates now under construction would be called for by the administration. And he would be ready for the call.

Present operating plans are for the completion of the two new gates by the twentieth of May. "They will be completed on schedule," said the supervisor. With a squint of his eye he then told a story about the building of the gate near Palmer Hall. "It had to be done in a certain time. Rain delayed the program a lot. As a last resort, I held an umbrella over Sam Schultz, the brick-layer, in a hard

rain all day—and the job was finished on time."

It is the northeast gate at the end of Highland Avenue that is being built now. One half of it is about finished. The other side will be up in a few days. An entering passageway 14 feet wide, for automobiles and vehicles will be provided.

When this gate is finished the crew will move directly across the campus to the other end of the same driveway, where it enters the Aldrich road. Here brick, stone, and all necessary materials are in readiness for the erection of the new Southwest gate. This, also, will be an exact duplicate of the one near Palmer Hall.

From my discussion with Mr. Jones-Williams about the gate, I gained the impression that the southwest gate will be given to the College by the Junior Class of this year, which will be the graduating class of 1939; and that the northeast gate will bear the insignia of the present Sophomore Class, which will be the graduating class of 1940. I would not make this a positive statement, however, not having had an opportunity to verify it with administration and class authorities.

Anyway, I thoroughly enjoyed the hour spent with Mr. Jones-Williams. I found out what I went to find out—how the new gate will look—and many more things besides. He is a most interesting conversationalist. I wish that I might have written a report of the interview that would be as interesting to my readers as was the interview to me.

Mr. Clyde J. Davis, of Montgomery, spent Wednesday in Montevallo. Mr. Davis was formerly connected with the Montevallo Times. He left here a year ago to accept a position in the Capital City. His many friends in Montevallo were glad to see him.

A Letter to the People of Shelby County from John A. Darden, Candidate for Circuit Solicitor, Eighteenth Judicial Circuit, Composed of Clay, Coosa and Shelby Counties

TO THE VOTERS OF SHELBY COUNTY:

I most respectfully solicit your vote and active influence in my race for Circuit Solicitor on the following grounds:

1. I believe that I am qualified from education, training and experience to fairly, faithfully, impartially and efficiently discharge the duties of this important office, for the best interest of the people. I will do my best.

Rotation of Circuit Solicitor's Office

2. The office of Circuit Solicitor should rotate among the three counties of the circuit like that of the State Senator of your district. My opponent, Mr. Hardegree, was first nominated and elected on this fair and just principle, but since he has secured the office three terms he has forgotten the principle of rotation or repudiated the same. We call upon the open, fair-minded and patriotic citizens of the circuit to see that the rotation principle is not permanently placed in the discard for my opponent's sole benefit.

Officers of the Circuit from Clay and Shelby

3. Shelby County now has the Circuit Judge, and has had in all three Circuit Judges, two Circuit Solicitors, and several Court Reporters, but now has no one running for Circuit Solicitor. Clay County, the home of my opponent, also, has had three circuit Judges, two Court Reporters or more, and Clay County, in the person of my opponent, has had the Circuit Solicitor for three full terms—twelve years—when present term expires next January. COOSA COUNTY—my county—has never furnished a Circuit Judge, Circuit Solicitor, or even a Court Reporter. Under the principle of rotation of this office,

MEET Your Candidates

A public relations meeting that is expected to prove of extraordinary interest and unusually informative is sponsored by the Business and Professional Women's Club of Montevallo for Monday night, April 18, at 7:30 o'clock, at the auditorium of the Elementary School.

All candidates for county office in Shelby County have been invited to attend the meeting, and all citizens who are interested in public affairs are urged to attend.

Each candidate will be given five minutes time in which to say whatever he wishes concerning his own campaign and any public question he might choose to discuss.

The program committee is arranging a plan for the meeting whereby a number of important current subjects of public interest will be brought up for discussion, with questions in order from anybody relative to the same.

Remember the time and the place: Auditorium of Montevallo Elementary School, Monday night, April 18, at 7:30 o'clock. Everybody is invited.

FARM MEETINGS

We will hold the following meetings to discuss the Farm Program, corn and cotton varieties and fertilizers; a good educational picture will be shown on the use of fertilizer.

All farmers and business men are cordially invited to attend the meeting most convenient.

Vincent High School, Monday night, April 18, 7:30 o'clock; Wilcoxville School, Tuesday night, April 19, 7:30 o'clock; Chelsea School, Wednesday night, April 20, 7:30 o'clock; Camp Branch School, Thursday night, April 21, 7:30 o'clock.—A. A. Lauderdale, County Agent.

First Term Summer School To Be Held June 13-July 20

Large Number Smash Record At April Meet

Phillips High School Leading Field with Registration Of 52 Delegates

Attendance records were smashed for the fifteenth annual Inter-High School Meet, April 7-8, as registration exceeded 1,300 students. Phillips High School, Birmingham, led the 80 schools represented with 52 registered delegates.

Prof. W. J. Kennerly, physical science department, was chairman of arrangements. Activities were presided over by Miss Margaret McCall, athletics; Miss Ellen-Haven Gould, speech and debate; Dr. Lois Ackerley, home economics, and Prof. H. D. LeBaron, music.

Competition in speech work included debates, plays, interpretations and speech chorus. In home economics, knowledge of child growth and development, clothing, budgeting, and foods were judged and discussed by high school teachers and students. No prizes were awarded.

Music entrants participated in voice, violin, piano, and organ divisions.

Physical education majors and 25 other students supervised sports. High school representatives were divided into five continents—Asia, directed by Mary Louise Hall; Europe, by Audrey McKay; North and Central America, Annie Laurie Livings; Africa, Sarah Hope; and South America, Mary Herndon.

The Continents were divided into five countries which competed in baseball, badminton, volleyball, relays, stunts, mass games, folk dancing, and sports.—Alabamian.

The Summer Session of Alabama College will open this year June 13, ending July 20, and the second term will extend from July 21 to August 24, according to Dr. M. L. Orr, director.

During this time four major events will occur: the annual convention of the Alabama Writers' Conclave, June 15-18; the Education Conference, June 30-July 1; Student Career Conference, June 22-25; School of Instruction for vocational home economics teachers, July 18-August 5.

Dr. Alice V. Keliher will direct the Progressive Education Demonstration School and summer program for elementary and high school teachers. Miss Charlotte Peterson, of the College training school, will be in charge of the curriculum laboratory.

Among the educators featured as faculty members will be Miss Minnie Dunn, supervisor of the fourth grade, formerly State Teachers College, Fredericksburg, Virginia; Miss Edna Collins, Tower Hill High School, Wilmington, New Jersey; Miss Margaret Elizabeth Heap, University of Tennessee, Knoxville; Miss Ruth Lehman, Florida State College for Women, Tallahassee; Mr. Willis Aleshire, teacher of violin in Ohio schools.

Regular courses will be offered in biology, chemistry, physics, education, English, history, mathematics, modern languages, psychology, sociology and speech.

There will be short non-credit courses in coaching high school dramatics, progressive education, curriculum study, and directing high school News Writing.

Tentative plans have been made by the Summer School committee for improving the two sessions. Dr. Orr has announced that water coolers and fans will be installed in the library.

The committee has suggested that a number of small dances be given instead of a few large ones. An added attraction for music lovers will be the band and orchestra composed of high school and college students. Two lyceum attractions will be offered for the first time, the names of the lecturers to be announced later by the committee.

LEGION AUXILIARY MEETING

The American Legion Auxiliary will hold its next regular monthly meeting Thursday, April 21, at 3 p.m., with Mrs. Robert Holcomb, and Mrs. Glennie Nybeck as joint hostess.

Miss Elizabeth Allen, of Alabama College, will be the program speaker.

FIRE PROTECTION

Mr. W. M. Brunson, people's public service attorney of Alabama, was in Montevallo Monday night and met with the Town Council for a further consideration of additional fire protection facilities for Montevallo.

Mr. Brunson took a detailed map of the town of Montevallo for further study, after which the question will be taken up with the Warrior Water Company.

TELEPHONE SYSTEM

A little more light was shed Monday night on the telephone situation by Judge Brunson, the people's public service attorney when he came here to confer with the Town Council about fire protection. Judge Brunson told Mayor Acker that he had gone into the telephone situation thoroughly and had reached the conclusion that all things considered, Montevallo is entitled to more modern telephone equipment and service, and at no additional cost in rates.

Mr. Brunson will pursue this matter further, he said, and will assist the people of Montevallo in securing consideration of their wishes at the hands of the telephone company and the public service commission.

It is evident that what the majority of the people here want is an automatic drop signal system, and not a dial system.

County Medical Society Meeting

The Shelby County Medical Society met in regular session on Monday evening at 7:30, in the office of Dr. J. I. Reid. Dr. J. M. Ryan, president, of Helena, presided over the meeting. Others present at this time were Mr. K. W. Grimley, National Executive-Secretary of Tuberculosis Association, and Mrs. M. P. Jeter, who gave a motion picture on tuberculosis. It was endorsed by the society as an educational one and recommended that it be shown to the general public.

Mrs. Jeter talked on the recent purchase of a Pneumothorax machine by the Red Cross and of its use in the county. Mr. Grimley also spoke in reference to treatment of tuberculosis and use of the machine. It was moved by the society that it be placed with the County Health Officer in Columbiana.

Election of delegates to the Dedical Association of the State of Alabama in Mobile on April 19-21, followed this hour. Dr. J. M. Ryan, and Dr. E. F. Sloan were elected with Dr. Willena Peck and Dr. K. N. Gould, of Wilsonville, as alternates. The payment of dues was also attended to.

and by all rules of right, fairness, equity and justice, it is NOW THE TIME FOR COOSA COUNTY TO FURNISH THE NEXT CIRCUIT SOLICITOR.

Hardegree On Payrolls Nineteen Years

4. Mr. Hardegree has not only been Circuit Solicitor for twelve years, in succession, but he was County Solicitor of Clay County approximately seven years before he was elected Circuit Solicitor. He

has, therefore, been either on the payrolls of Clay County or the State of Alabama, continuously, for approximately nineteen years, having already drawn more than FORTY THOUSAND DOLLARS IN SALARIES, and yet he is not satisfied. He is now drawing an annual salary of THREE THOUSAND DOLLARS, plus TWO HUNDRED DOLLARS annually for expenses while attending courts in Shelby and Coosa. Don't you think Mr. Hardegree has served already long enough and drawn enough public money?

5. George Washington said a president should not serve more than TWO TERMS, but we have developed greater men—for holding office—than Washington. It is neither fair, just nor democratic for one man to hold the same office FOUR CONSECUTIVE TERMS, in my opinion.

Catching at Straws—Activity of Mr. P. O. Luck, County Solicitor

6. My opponent is now catching at straws to try to keep off certain defeat. The County Solicitor, Mr. P. O. Luck, and Mr. Ed Price, President of the Shelby County Industrial Union Council, and probably one of two others held a conference in the office of the County Solicitor a short time before the Council met on Sunday, March 13th, in which the endorsement of Mr. Hardegree by the Council was discussed. On Saturday afternoon before the meeting on Sunday, Mr. Luck tried to get in touch with Mr. Price through Mr. Frank Head and Mr. Percy Lee, but finally Mr. Luck got in touch direct with Mr. Price, and as a result Mr. Luck called up Mr. Hardegree to come Sunday and go before the Council Sunday. In company with Mr. Dempsey, County Solicitor of Clay and law partner of Mr. Hardegree, Mr. Hardegree attended the (Continued to Last Page)

IF NOT A SALES TAX, THEN WHAT?

Some of the politicians and office-seekers are promising unconditionally and without reservation to do away with the present state sales tax. That, it is admitted, would be a very popular thing to do. But the thinking citizen will not accept such a promise, without the candidate so promising will also satisfactorily and reasonably answer the question: If not the sales tax, then what will we have to provide the money that is being raised by this method?

Let us get the matter down to figures, particularly as to Shelby County.

Forney Stephens officially announces for Shelby County these figures for the sales tax for the period January 1, 1937 to March 16, 1938: Total amount paid in sales tax by Shelby County, \$29,007; total received from sales tax by Shelby County, \$176,411; therefore, Shelby County received from the sales tax \$147,404 more than it paid.

The money received by Shelby County from the sales tax fund went to the following causes: Education, \$154,987; County Board of Revenue, \$13,053; homestead exemptions, \$8,371; making a total of \$176,411.

Now, here is the question that faces The Times when we begin to think, with our promising candidates, on their plans for doing away with the sales tax. If we shall abolish the sales tax, what will we have to take its place?

Where will Shelby County get the \$154,987 that came to us for educational purposes? Where will we get the money to keep up the various services which are now financed through the sales tax?

We hope the voters who will participate in the coming elections will think about the question: If not a sales tax, then what?

BOB WHITES LAYING

April 4 and 5 were important days at the state quail farm in Autauga County, for it was then that the first two eggs of the new season were laid by quail hens. From now on, Supt. Alex McPhail and his assistants will be kept busy gathering eggs every week and placing them in incubators. There are more than 300 pairs of quail isolated in laying pens, and under average conditions they will produce nearly 1,000 eggs per week. The incubation period is 21 days, and then the newly-hatched birds are put in brooder pens for six weeks.

The most effective way to control the tent caterpillar is to apply arsenical spray to the foliage when it unfolds in the spring and the young caterpillars begin to feed.

CANDIDATE HANDY ELLIS

Hon. L. H. Ellis, candidate for Representative of Shelby County in the legislature of Alabama, spoke to a gathering of voters in Montevallo last Friday night.

The speaker surveyed in detail his past record as a member of the State Senate and the House of Representatives, and it appeared that the same was acceptable to his listeners.

Likewise, his outline of a course of action for the future appeared to be entirely reasonable and altogether supported by a rigid determination on his part to fairly and honestly represent Shelby County in the legislature and to stand for broad and comprehensive governmental program for Alabama.

Pledging himself to a continuation of Alabama's support of public education and human welfare agencies, Mr. Ellis declared himself unalterably committed to keeping our present revenue raising program unless and until some better program for doing those things should be found.

Withal, it appears that Handy Ellis stands out in front as Shelby County's greatest and ablest statesman of the present day. With all due respect for the ability, honesty and high purposes of the other gentlemen in the race, it is evident to an observer that the people of Shelby County will give Mr. Ellis a great vote of approval and a carte blanche ticket to the legislature again next session.

TEST, TEST AND TEST

AMERICAN industry, according to Consumers Information, surpasses that of any other country in its exact methods of testing products and so assuring maximum performance before passing them on to the user. One company reports, for instance, that 25% of its labor and cost of production goes into testing. Above are shown tests of two of the 600 different operations which go into the manufacture of their vacuum cleaners. The young lady is balancing the fan, an intricate job in which she puts tiny drops of solder on the light side until the balance is perfect. EIGHTY-SEVEN PER CENT RECEIPTS EARMARKED

Montgomery, Ala.—Eighty-seven per cent of the total net receipts of \$58,274,158 of the State of Alabama for the last fiscal year was earmarked for special services, according to a bulletin issued by the Alabama Education Association Saturday. Of the remaining thirteen per cent totaling \$7,604,751 considerably more than half was used for the "essential services" of the state, expenses incurred principally by executive, legislative, and judicial departments.

Heading the state services in amount of revenue received was the highway department with an aggregate of more than \$16,740,000, or 29 per cent of the total. Coming second was educational services with a total of more than \$12,000,000, or 22 per cent.

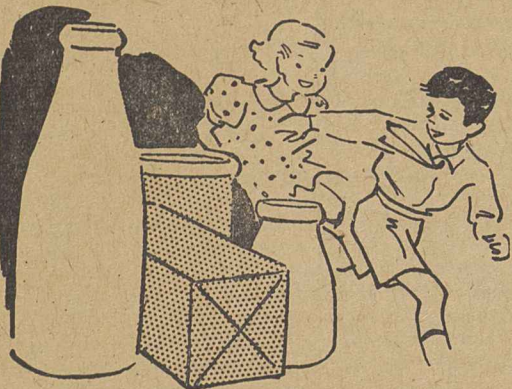

Other funds that bulked large in the year's receipts were the unemployment trust fund 12 per cent, county funds (4) 13 per cent, and federal aid funds 10 per cent.

The bulletin analyzes the state receipts into state funds, federal funds and non-revenue receipts, and county, city, and unemployment trust funds. The first group of receipts, \$34,585,073, represents the total amount contributed last year by the taxpayers of Alabama to the support of the state government.

Public hearings were held in Alabama, Mississippi, Louisiana, Florida, and Texas during the past week to determine whether or not Irish potato producers desire a marketing agreement and order regulating the handling of Irish potatoes. The information gathered at the hearings has been sent to Secretary Wallace for consideration.

Circle No. 1 Meeting

Circle No. 1 of the Methodist Missionary Society met Monday afternoon, April 11, at the home of Mrs. W. L. Gravlee. The business was conducted by Mrs. R. P. Holcomb. Mrs. Joe Doyle was program leader, the subject being, "Rebuilding Rural America." Others on the program were Mrs. O. B. Cooper, Mrs. J. L. Appleton, and Mrs. C. D. Tatum.

During the social hour a delicious frozen fruit salad plate with sandwiches and coffee were served to the following members: Mesdames O. B. Cooper, J. L. Appleton, R. P. Holcomb, F. Thavis, J. H. Henning, Brewer Carpenter, Joe Doyle, J. R. Gilbert, M. L. Orr, Arthur Tatum, C. D. Tatum, and the hostess, Mrs. W. L. Gravlee. She was assisted by her mother, Mrs. Hawkins, and little Betty Gravlee.

* * *

All this rain and water is depressing enough, but when a smiling face and a cheerful greeting is absent, too; well that's something else. But we are glad to say everybody is happy again because Mrs. S. M. Mahan is back at her work greeting everybody in that special way of hers. She has been ill for the past two weeks.

Mesdames Fred Stuckey, W. R. Nickel, R. F. Hudson, W. A. Sellars, R. J. Hudson, and little Fred Stuckey, Jr., all of Montgomery, were guests of Mrs. W. F. Tidwell Tuesday.

BROTHERHOOD CLASS

The Brotherhood Class of Montevallo invites you to hear Rev. A. J. Cox next Sunday morning, 10 o'clock, in the Strand Theatre. You will be enriched with the vital issue which Mr. Cox will present. Come and bring a friend!

"Peckerwood" Victory March

Dixon "Peckerwood" Clubs, which are being formed in every county of the State, now have a "Victory March," which was originally published in the Tuscaloosa News. The designation "Peckerwood" as applied to Dixon, originated in a statement by Gov. Graves calling Dixon a "Peckerwood." Here's the verse:

"Peckerwood peckin', bark a-flyin',
Ole Bibb cussin' and Riddle cryin';
Pie-eaters moanin', dey want more food,
But all dis stewin' won't get 'em no Goode."

PRESBYTERIAN CHURCH

"The Power of the Christ" is to be the Easter message of the Rev. Augustus J. Cox during the eleven o'clock hour. An Easter organ selection will be rendered by Prof. H. D. LeBaron.

The Church School will meet at 9:45 a.m. We invite you to worship with us in both of these services. A cordial welcome awaits you.

THOMPSON HIGH SCHOOL TO GIVE PLAY

The Senior Class of Thompson High School will present as its annual class play, "Keep Off the Grass," Friday night, April 29, at 7:30 p.m. A reception will be held before and after the play, honoring the classes of '35, '36, and '37.

Miss Willie Gould spent Sunday night at her home in Columbiana.

High School News

(By Bob Anderson)

The Senior Class of Montevallo High School had a class picture made Tuesday. The picture was taken by Mrs. Yeager. Proofs were exhibited and pictures ordered Wednesday.

Tuesday was banking day at Montevallo High.

According to reports made to Miss Vinnie Lee Walker, Arista Club sponsor, preparations for the banquet and dance, to be held a week from tomorrow are under way. The banquet will be quite a large affair this year, with about fifty members planning to attend. Many of the classes have begun work on practicing for the various stunts. The music for the dance will be furnished by a Rockola. Requests for the favorite records of the students have been made, and as many of these as possible will be obtained.

Montevallo High students are looking forward to the showing of the new screen version of "Tom Sawyer" at the Strand next week. It is hoped that a special matinee will be arranged so that transported pupils can see this picture.

Book reports were given in the Senior High English classes Tuesday.

Mr. Tidwell has promised that the school will be allowed to close in the afternoons for three of the home games of the baseball team this year. Which three games these will be has not been decided yet. Season tickets for the games are on sale at the school.

Sports Spotlight

The weather has decided to interfere with baseball this year. Last week another game was rained out. Season tickets to Montevallo High home games are being sold by the Girl Scouts. Mr. Hicks has announced that all games called on account of rain will be played later in the season. The boys on the team are getting anxious to get started, as they have not had the chance to play yet, and to see what they can do against outside opposition.

Since the uniforms have been issued, and the boys found out who was going to play and who wasn't, there has been a sharp decline in the number of would-be players coming out for practice each afternoon.

There are only four boys from last year's regulars who are still with the team this year. These are: R. J. Comer, Russell Ambrose, Ned Cary, Aston Johnson, Charles Harrison.

Several of the rookies and last year's B team players are making a good showing in the practice games, particularly Rives, Hartley, Lovelady, Vaughan, and Milstead.

The next game to be played here on the regular schedule is with Columbiana Friday week. Unless a special game is called before then, Montevallo fans will have to wait another week to see the team play. There is a game scheduled with Columbiana, to be played in Columbiana tomorrow.

GIRL SCOUTS WILL SELL BASEBALL TICKETS

The Girl Scouts of Montevallo are now engaged in a campaign to sell season tickets to the High School baseball games. The girls and council undertook this project at the insistence of Coach Leon Hicks.

There will be at least six home games which these tickets will cover. School will be dismissed for three of them. The others will be played after school hours. The prices of the tickets are 25 cents for students and 75 cents for adults. Since the prices for a single game are 10 cents and 20 cents, this is a great saving.

The baseball team is anxious to have a good attendance at all the games and if you buy a season ticket, this will help them and you will be doing your share.

NOTICE

Both barber shops, Mr. Mahan's and Mr. Kendrick's, are now closing at 6:00 instead of at 6:30 o'clock. This change took effect Monday, April 11.

The Rocketship Soars—At New York World's Fair

NEW YORK — (Special)—The dream of the mechanical age and perhaps the commonplace event of the World of Tomorrow—a trip to Mars in a rocketship—will be produced in tangible form in steel and glass when a model working rocketport is placed into operation at the New York World's Fair 1939.

Now being constructed by Raymond Loewy, industrial designer, the operating planet-line will be part of a free, focal exhibit in the

transportation section of the Fair.

More than a thousand visitors will be able to see the show at one time. After an interesting, activated display of transportation from the day of the cave man to the present, illumination in the auditorium will be shifted to spotlight the rocketport.

Airplanes, liners, railroad trains and taxicabs of futuristic design will bring passengers and twinkling elevators will begin loading the rocketship's cargo. When the

time comes for departure, sirens will sound, machinery will hum, a giant crane will lift the rocketship and place it in the breech of the gun and a brilliant flash and an explosion will indicate that the world-folk are off on a visit to another planet.

By means of an ingenious invention resembling the shutter of a camera, placed in the sky-ceiling, the audience will seem to see the rocketship vanish into the vast reaches of space.

GOVERNOR OR GOOD GOVERNMENT?

In the present crisis of American Democracy, five candidates offered themselves for the office of Governor. But the supreme issue is neither Arnold nor Dixon nor Goode, nor Riddle nor Sparks—nor all of them together. The supreme issue is good government. Good government, the prosperity and happiness of our people, depends upon Agriculture, Education, Health, Industry, and sound financial administration. The capital question is—Who knows with intimate and exact knowledge the most about Agriculture, about Education, about Health, about Industry, and about sound finance? Who? Who has had long and successful experience in these things together with experience in the affairs of government? Who? Who has lived and worked most intimately with the people? Who seeks the welfare of all people, of the State as a whole, and not his own self-aggrandizement or the interests of a city, section or class? Who?

This should be the issue and argument. Abuse of an opponent or of the present administration is not an intelligent and honest argument. Let the people of Alabama consider their own interests in the advancement of Agriculture, Education, Health, Industry, and Finances—and not the ambitious self-praise of any candidate.

"Let another man praise thee, and not thine own mouth."—Prattville Progress.

CALERA CHURCH

Rev. A. J. Cox will conduct an Easter service in the Presbyterian Church at 3 p.m. The attendance at these meetings has been gratifying—Won't you let us serve you too?

Miss Louise Crowe of Porter spent the week-end with her aunt, Mrs. A. L. Crowe.

DANCE AT WILTON

There will be a square dance at the Wilton Schoolhouse Thursday night, April 21st.

A special invitation is extended to all candidates to attend, and a short time will be given for talks by all candidates present.

Admission charge will be fifty cents, which will go for benefit of the school. Everybody come.

The Standard Coupe

The Standard Ford V-8, with 60-horsepower engine, gives you a lot of car for a little money.

300,000 new owners acclaimed the "thrifty 60" last year. Hundreds a day are buying it in 1938. Why?

Because it is priced low—includes essential equipment without extra charge—and goes farther between filling stations than any Ford car

ever built. Owners all over the country report averages of 22 to 27 miles on a single gallon of gasoline.

But economy isn't all the story by any means. The Standard "60" is built with the same precision as the De Luxe "85," and has the same 112-inch wheelbase chassis. It is easy to look at and ride in —as well as easy to buy and run. There's a Ford dealer near you.

CORN PRODUCTION
IN SOUTH SHOWS
5-YEAR DECREASE

Auburn, Ala.—Corn production in the cotton south has been smaller in 3 out of the last 5 years than the average for the 5-year period 1928-32, according to figures supplied by P. O. Davis, director, Alabama Extension Service, by the Agricultural Adjustment Administration.

There was a net decrease from the 1928-32 average in the number of bushels of corn produced during the 5 years, 1933 through 1937 in the 12 Southern States: Alabama, Virginia, North Carolina, South Carolina, Georgia, Florida, Tennessee, Mississippi, Arkansas, Louisiana, Texas, and Oklahoma.

Although the number of bushels of corn produced in these states during the 5 years of the AAA programs has been smaller, there has been a small increase over the previous 5 years in corn acreage. The 1928-32 average of corn acreage in these states was 28,807,000 acres. The 1933-37 average was 30,247,000 acres. The acreage in 1937, however, was 28,730,000 or slightly less than the 1928-32 average.

The average yield of corn in these states is 15.3 bushels per acre, compared with an average yield of 25.4 bushels per acre for all farms in the United States, and an average yield of 38.3 bushels per acre in Iowa. These 12 Southern States have about 2½ times as much corn acreage as Iowa, yet Iowa produces as many bushels of corn as all 12 of these states.

Baptist Church

"I am the Resurrection and the Life" will be the pastor's text for the Sunday morning sermon. At the evening service he will speak on the text, "And It Was Night." Sunday school meets at 9:45 A. M. The Baptist Training Union will meet at 6:45 P. M.

A series of revival services will be held the week of April 24th, to May 1st. Rev. Leroy R. Priest, pastor of the First Baptist Church, Dothan, Alabama, will be the visiting minister. See next week's paper for further announcement.

STATE OF ALABAMA A PROCLAMATION BY THE GOVERNOR

Whereas, the Legislature of Alabama at the Extra Session 1936-37 ordered an election to be held by the qualified electors of the State of Alabama upon a certain proposed amendment to the Constitution of Alabama, which said amendment is herein set out, and ordered that said election be held on the First Tuesday in May 1938; and

Whereas, the First Tuesday in May 1938 will be and occur on Tuesday, May 3, 1938; and

Whereas, notice of such election, together with the proposed amendment is required by law and by the provisions of the Act submitting said amendment to be given by a proclamation of the Governor to be published in each County in the State of Alabama once a week for four successive weeks immediately preceding the said 3rd day of May 1938;

Now, therefore, I, Bibb Graves, as Governor of the State of Alabama, do hereby give notice, direct and proclaim that on Tuesday the 3rd day of May 1938, an election shall be held at the several polling places within the State of Alabama for the vote of the qualified electors

of the State of Alabama, in the manner and form provided by law, upon the following Amendment to the Constitution of the State of Alabama of 1901, as follows:

"Section 138 of Article 5.—A sheriff shall be elected in each County by the qualified electors thereof who shall hold office for a term of four years unless sooner removed, and he shall be eligible to such office as his own successor. Whenever any prisoner is taken from jail, or from the custody of any Sheriff or his deputy, and put to death, or suffer grievous bodily harm, owing to the neglect, connivance, cowardice, or other grave fault of the Sheriff, such Sheriff may be impeached, under Section 174 of this Constitution. If the Sheriff be impeached, and thereupon convicted, he shall not be eligible to hold any office in this State during the time for which he had been elected or appointed to serve as Sheriff."

I further direct and proclaim that notice of this election upon Tuesday the 3rd day of May 1938, upon the above set forth amendment to the Constitution of the State of Alabama of 1901, be given by publishing the same once a week for four successive weeks next preceding Tuesday the 3rd day of May 1938, in each County in the State of Alabama in a newspaper published in said County.

In witness whereof I have hereunto set my hand and have caused the Great Seal of the State to be affixed at the Capitol in the City of Montgomery, on this 16th day of March, 1938.

TURKEY HUNTING

Pictures of stalwart Nimrods holding big wild turkeys (dead ones) have adorned the pages of several daily papers in recent weeks.

The last part of the open season began March 15 and closes April 15, and reports from all parts of the state indicate good shooting. Alabama boasts wild turkeys in 65 out of 67 counties, with the bronze birds concentrated more in some sections than in others. Clayton and Dorthan Sanders, Jasper brothers, got turkeys weighing 26 and 28 pounds respectively, in the Black Warrior National Forest. W. L. Nichols of Birmingham brought down another big one in Chilton County, near Calera. H. L. Brown and M. C. Schluter, of Mobile, killed two husky gobblers on the Salco tract, north of Mobile. In Shelby County, A. A. Lynch, Al Hamilton, J. W. Neely and O. C. Comer accounted for two more.

GROW FEED, FOOD AND SEED ON RETIRED ACRES

Auburn, Ala.—A good way for Alabama farmers to utilize some of the land retired from cotton production under the new farm program is to grow feeds, seeds and soil-building crops.

"Most farms need more feed for livestock, more seed for planting purposes, and more crops for soil-building and erosion control," report agronomists of the Alabama Extension Service.

"Practically every farm could well afford to have an area for seed production planted to such crops as lespedeza, crotalaria, lespedeza sericea, cowpeas, soybeans, and other crops," they advise.

Many of these crops can be used for several purposes. Annual lespedeza is good for seed production, hay, pasture, and soil-building, while lespedeza sericea is good for hay, erosion control, and seed production.

Soybeans and cowpeas are good for hay, seed production, human food, and soil-building while crotalaria is good for soil-building and erosion control. Velvet beans also are good for grazing, soil-building, and seed production. Peanuts can be grown for home consumption.

"Every farm should give consideration to planting alfalfa, lespedeza sericea, or kudzu for hay production. These are perennial plants and do not have to be planted every year. One of the best ways to enrich the land for these crops is to grow a crop or two of legumes such as cowpeas and vetch.

An essential to the success of legumes and pasture plants is a liberal application of phosphate and lime. The 1938 farm program offers considerable encouragement for the use of these materials on legumes and pastures.

For information on growing these crops and qualifying for payments under the 1938 AAA program, farmers are being advised to see their county agents.

RAISE FISHING WORMS

The July, 1937, Alabama Game and Fish News published an article by H. S. Swingle and D. G. Sturkie, of Auburn, on "how to raise 5,000 fishing worms in a tub for \$2.40." A national outdoor magazine reprinted part of the article a few months ago, and since that time approximately 50 requests from all parts of the nation have been received for copies of the article from the Game and Fish News. Maine, California and other faraway places were represented.

Nine counties in Southeast Alabama have been designated as commercial peanut producing areas. They are Barbour, Coffee, Covington, Crenshaw, Dale, Geneva, Henry, Houston, and Pike. Eighty-nine counties in seven southern states were so designated.

APRIL 30 LAST DAY TO FILL OUT WORK SHEETS

Auburn, Ala.—Saturday, April 30, has been set as the closing date for County AAA offices to accept work sheets to make farms eligible to be covered by application for payment under 1938 program, announces Walter L. Randolph, administrative officer in charge AAA program in Alabama.

"Operators of farms covered by unsigned work sheets should sign work sheets before closing date to make farm eligible to be covered by application for payments under the 1938 program," he advises.

"Producers who participated in the 1937 Agricultural Conservation Program have, of course, already signed 1937 work sheets and many of the producers who did not participate in the 1937 Agricultural Conservation Program have signed 1937 non-applicant work sheets in connection with the work of making 1938 farm cotton acreage allotments. Other producers have not, of course, signed 1937 work sheets but must do so before midnight, April 30, 1938, in order to be eligible to receive payments under the 1938 Agricultural Conservation Program."

ALABAMA INCREASING FOOD AND FEED CROPS

Auburn, Ala.—A prospective increase of 7 per cent in Alabama's corn acreage is reported by the Alabama Crop Reporting Service. Increased Alabama acreages are also indicated for soybeans, oats, sweet potatoes, and tame hay, with no change for cowpeas, and a decrease from last year in Irish potatoes.

A recent court order requiring the destruction of oats shipped into Alabama by the Sun-Field Seed Service, makes a total of 15 such actions against shipments of this firm in recent years, reports the Division of Seed Investigations of the U. S. Department of Agriculture.

"If a farmer exceeds his cotton acreage allotment to take advantage of the 1,000 pound exemption provision, 1938 AAA Program, he will not be eligible to receive either a conservation payment or a cotton adjustment payment," says I. W. Duggan, director, Southern Division, AAA, in a letter to Walter L. Randolph, state administrator of AAA in Alabama.

meeting of the Council on Sunday. Members of the Council questioned Mr. Hardegree, and presumably favorable answers were made by him, resulting in seven or eight members of the Council endorsing Mr. Hardegree for Circuit Solicitor. I wish the voters to know that the Council is composed of a member or members of several locals, all of which are affiliates of the C. I. O., and the membership of these locals or most of them, include many Negroes, as well as white members.

Suppose the C. I. O. should call a "sit-down strike" at the coal mines and other enterprises where C. I. O. labor is used, what do you think would be the attitude of the Circuit Solicitor's office with my opponent as Circuit Solicitor? Don't you think you had better have a man for Solicitor who is not under obligation by endorsements, or otherwise, to any man, set of men, group or machine, or organization, like the C. I. O.? I shall be under no obligation to any one when I assume my duties as Circuit Solicitor next January, except to give all the same consideration and service.

7. I will be the Circuit Solicitor in fact, as well as in name, and I assure the people of Shelby County that open and notorious gambling houses and other things of equal curse, to your county, will not grow like a green bay tree as they have done in your county until recently.

8. When I become Circuit Solicitor next January, I will appoint NEW COUNTY SOLICITORS IN SHELBY AND CLAY COUNTIES.

Each of these County Solicitors have served two or more terms when their present terms expire, and under democratic principles new ones should be appointed, which I shall do. In Coosa County, under a local law I sponsored when in the Legislature, Coosa County Solicitor is elected by the people, and in my opinion these officers should be elected in all the counties.

Now, Voters, in conclusion, if you believe in above principles, and want to see equity and justice done among the three counties, in the distribution of the Circuit Officials, I earnestly request you to be active in my interest until the polls close May 3rd. Do not allow anyone who is financially or otherwise interested in my opponent being retained in office for their special, personal or financial benefits or interests, to cause you not to work and vote for me. I want to tell you the voters of the circuit in a large majority, are against "FOURTH TERMERS" and "SIT DOWN ON THE SAME OFFICE PERPETUALLY," and are behind me in this campaign for the office of Circuit Solicitor.

I am not swinging on the coat tails of any man, set of men or organization, or riding two horses in this race, but I am going straight down the road with the file of the voters of the circuit as my supporters and by their help I expect to win. Keep up the fight; do not be deceived, voters, by those who have some special interest in retaining my opponent for another four years—in all, sixteen years as Circuit Solicitor.

Yours sincerely,
JOHN A. DARDEN

Governor Graves To Ask Full Share For Alabama

Money Will Be Provided For Scores of Projects in The State

Montgomery, Ala.— Gov. Graves will ask for Alabama's full share of the federal funds which will be made available under President Roosevelt's new program and all counties and municipalities will be allocated their fair portions provided they make their proposals to the governor without delay.

In the hope that all county and city officials will act at once, Gov. Graves has made a state-wide appeal for the preparation of proposals and estimates at the earliest possible moment. Scores of projects have been prepared in detail and have been put aside until additional money was available. Gov. Graves is hopeful that reconsideration will be given to these proposals and that he will be advised of those which should be reinstated in the state building program. Semi-official information from Washington indicates that a large proportion of the new funds will be set aside for public buildings, public roads, public schools, bridges and other construction work which will be beneficial to all classes of people.

As soon as Alabama's proposals and estimates are in hand, Gov. Graves will take such action as may be necessary to obtain approval of the projects in Washington. It is probable that the governor will make a trip to the capital in furtherance of the state program. This has been his policy in the past, which has resulted in the expenditure of more than \$400,000,000 in Alabama.

Several cities and counties are already moving to put their plans into final form. Montgomery County has indicated that it will ask for about \$600,000. Of this total about \$300,000 will be used for new school buildings, while the remainder will be spent in building the county jail and other improvements on county buildings. Other cities and counties should make known to the governor their plans at once.

"It is important those county and city officials who have charge of these local programs act without delay," commented Gov. Graves in connection with his plans. "While unemployment in Alabama is much less than in many industrial sections of the nation, many thousands are out of jobs. We desire to put them in remunerative positions as soon as possible and we want to get the benefits which will come with the construction of new buildings for the use of the people of Alabama."

P. T. A. MEETING

The P. T. A. held an interesting meeting at the Elementary School Tuesday evening at 7:30 o'clock at which time Mr. Riddle of Alabama College spoke on "Education for Spiritual Values."

Mrs. Appleton, delegate to the regional conference at Clanton, gave an interesting report, showing the Superior Certificate which was awarded to the Montevallo P. T. A.

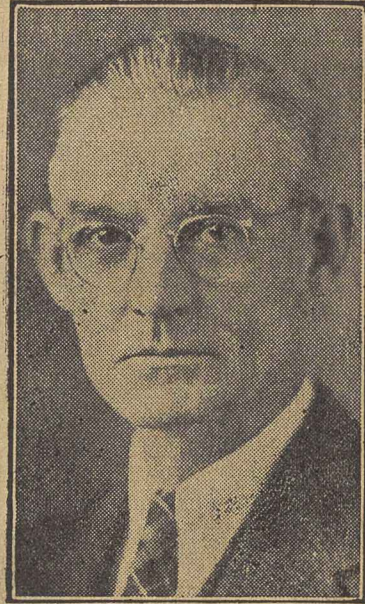

New officers for the coming year were elected with Mr. W. J. Kennerly as president, and everyone is enthusiastic over the prospects, particularly since this is the first time the organization has ever had a man for presiding officer.

After the program the hostess group, with Mrs. Robert Hendrick as chairman, served home made candies.

Memorial Day exercises sponsored by the U. D. C. will be held at the Baptist Church in Montevallo Tuesday, April 26, at 10:30 a.m. Mrs. Mary McCoy will be the program speaker.

CANDIDATE FOR GOVERNOR

R. J. "BOB" GOODE

Mr. Goode will make an address to the voters of Montevallo at the Elementary School Auditorium next Saturday night, April 23, at 7:30 o'clock. Everybody is invited to come out and hear him.

Candidates At Meeting Here Monday Night

On Monday evening, April 18, the Montevallo Club of the Business and Professional Women held an open meeting at the Elementary School to which all candidates for office in Shelby County were invited. Mrs. Stanley M. Mahan, the competent president of the organization, presided. As guests of the club came in at the door, they were met by Mrs. Hicks, who presented them with lists of the candidates who had been invited to attend the meeting. Thirty-three candidates had been invited. Of these, thirty appeared at the meeting. Every candidate was presented to an audience which filled the auditorium or the Elementary School. Each was given an opportunity to present arguments in favor of his candidacy in a five-minute speech. Preceding the introduction of each group of candidates, members of the political science class at Alabama College made brief statements of the duties and responsibilities of holders of the particular office for which the candidates were offering themselves.

At the conclusion of the meeting an opportunity was given to the audience to ask questions regarding any points which they felt the candidates had not made clear in their discussions. The questions showed that the audience was more interested in issues pertaining to the offices of the state legislature than in other offices. Most of the questions were directed at this group. They were asked to make clear their positions on secret ballot and civil service reform. They were also questioned regarding their attitude toward the ratification of the Child Labor Amendment to the National Constitution.

The meeting held the interest of a large group of citizens and many of them expressed appreciation of the effort of the Business and Professional Women's Club to inform them concerning their candidates.

The meeting was planned and carried out under the direction of Mrs. Denson Elliott, who is Public Relations Chairman of the Montevallo branch of the Business and Professional Women.

GIRL SCOUTS

Nine girls of Troop 2 have earned the Home Nurse Badge this month. Miss Ollie Tillman instructed and examined the following girls: Evelyn Ward, Sara Cook, Mary Pearson, Jacqueline Woolley, Mary Jean Kennerly, Dama Wills, Virginia Weems, Frances Nybeck, and Peggy Davis. Miss Tillman gave the girls a high rating. They enjoyed the work so much they hope she will let them help her sometime with nursing.

Ten other girls from Troop 4 are almost ready to be examined for the Home Nurse Badge. They are: Georgia Canant, Margaret Harrison, Margaret Sanderson, Dorothy Franks, all of Wilton, and Blanche Lucas, Edna Ray Watts, Bertha Wells, Lorene Pickett, Willie Prestridge, and Annie Laurie Holcombe.

Two patrols of Troop 2 have new leaders. Sarah Henry Reynolds and Mayo Baker were chosen by the girls and Louise Holcombe and Mary Margaret Tatum were named as assistants. Julia Rogan is the new scribe. Their latest hike was to the Meroney Ridge with a stop at the Big Ditches on the way. Kodak pictures were taken, dinner was cooked and enjoyed and everybody brought back a new crop of freckles and sunburn. The leaders who went were Misses Doris Condon, Elouise Peck and Jean Kade.

Saturday, April 6, a patrol of eighth grade girls from Troop 2 went up to the Girl Scout cabin on Flowerhill. Mrs. Harman was very kind to show us her beautiful flowers. We were especially attracted by a sweet blush rose which she told us was a cutting from one her great-great-grandmother grew.

The girls cleaned up the cabin, and the grounds around it. They ate their lunches on a hill below the cabin. As we were leaving Mrs. Harman offered us some of her lovely pansies of which she has many different kinds. The girls enjoyed the day and hope to go back again soon.

Each year approximately \$3,000,000 in mutilated currency is sent to the United States treasury in Washington for redemption. A surprisingly large number of cases, identifications of the ruined money is made and redemption made to the owner. The average is 100 to 150 cases a day.

The Million Dollar Band of the University of Alabama will render a concert at Palmer Hall Friday night, beginning at eight o'clock.

No admission fee will be charged. Everybody is urged to attend. It is assured in advance that this will be a most interesting and entertaining performance.

Mr. Clifford Fulford, a student at the University of Alabama, spent the week-end with his mother, Mrs. Zettie Fulford.

Actual Construction to Begin Soon, Says County Superintendent

J. L. Appleton

According to a telegram from Congressman Pete Jarman to County Superintendent J. L. Appleton, President Roosevelt has approved a PWA loan and grant in the amount of \$115,454 for the erection of school buildings in Shelby County and the allotment of funds for the project has already been made. Of this amount \$63,500 is in the nature of a loan at a low rate of interest and \$51,954 is an outright gift to the county. The money is to be used in the County Board of Education's program of providing adequate school facilities throughout the county. On this program it is planned to erect new buildings or additions at Columbiana, Shelby, Calera, Montevallo, Maylene, Siluria, Pelham, Helena, Chelsea, Vincent and other school centers.

This action of the president climaxes long and persistent effort on the part of the County Board of Education, both as a board and as individual members thereof. According to Supt. Appleton innumerable obstacles have arisen to delay successful completion of this project but in every instance the board has taken appropriate action to remove the obstacles as they appeared. Mr. Appleton further states that steps for beginning the actual construction of the buildings will be taken just as soon as detailed instructions are received from Washington.

"OVER THE TOP" FOR CRIPPLED CHILDREN'S FUND

In the recent drive for funds for the Alabama Society for Crippled Children which closed Easter Sunday, Montevallo again went "over the top."

Alabama College Girls gave \$17.13; Alabama College faculty gave \$64.50; Montevallo Town folks gave \$48.65. The total for Montevallo was \$130.28.

Mrs. Hood, chairman, wishes to thank all those who gave so willingly and especially the committee that gave their time to this worthy cause.

Music Director In Pipe Organ Recital

Prof. H. D. LeBaron, director of the Alabama College School of Music, will appear in a pipe organ recital at 8 p.m. Thursday in Palmer Auditorium.

Professor LeBaron will play nine compositions by different composers. His program will be as follows: Dialogue, by Quef; Prelude and Fugue in E major, Saint-Saens; Prelude, "The Blessed Damsel," Debussy; Prelude, Symphonie Premiere, Vienne; A Joyous March, Sowerby; Caprice, Jepson; Benedizione Nuziale, Sgambati; Good Friday Music, Parsifal, Wagner; and Toccata and Fugue, D minor, Bach.

The pipe organ in Palmer Hall, which is used by students in the School of Music, is a Skinner of 83 stops, one of the largest institutional pipe organs in the South.

BROTHERHOOD CLASS

The Brotherhood Class of Montevallo, which meets each Sunday morning at 10 o'clock in the Strand Theatre, will have the pleasure of hearing the Rev. A. J. Cox speak on the subject, "Receiving Vision for Service."

Members and friends of the class will please take note of this and urge someone to accompany them to the meeting.

DEDUCTION IN PAYMENTS FOR OVER-PLANTING COTTON

Auburn, Ala.—Deductions will be made in the 1938 conservation payments to farmers over-planting their cotton acreage allotments or failing to reach their soil-building goal this year.

"If the cotton acreage allotment is knowingly over-planted in 1938, the farm will receive no conservation payment of any kind," say the regulations.

If a farmer inadvertently over-plants his acreage allotment, deductions for over-planting the allotment will apply to the normal yield for each acre in excess of the allotment. Example: The deduction rate for cotton is 5 cents per pound. If a farmer inadvertently over-plants his cotton acreage allotment and his normal yield is 200 pounds of lint per acre, the deduction from the payment to the farmer will be 5 cents times 200 or \$10 for each acre over-planted.

For each unit by which the farm falls short of the soil-building goal a deduction of \$1.50 will be made.

More information on this may be obtained by farmers from county agents or community committeemen.

FARMERS SHOULD PLANT 80% COTTON ALLOTMENTS

Auburn, Ala.—It is important that Alabama farmers plant at least 80 per cent of their cotton acreage allotments in cotton this year. Unless this is done, the 1938 cotton payments will be reduced, advises Walter L. Randolph, administrative officer in charge AAA program in Alabama.

The payment rate for cotton is 2.4 cents per pound. If a farmer with a normal yield of 200 pounds of lint per acre plants within, but not less than 80 per cent of, his cotton acreage allotment, his cotton payment will be 2.4 cents times 200, or \$4.80 per acre for each acre in the cotton acreage allotment.

If the acreage planted to cotton is less than 80 per cent of the cotton acreage allotment and the county committee finds that the failure to plant 80 per cent of the allotment was not due to drought or flood, payment will be made on the normal production of 1 1/4 times the actual planted acreage. This means that if a farmer with a cotton acreage allotment of 100 acres actually plants only 60 acres—and the county committee finds this reduced-plan was due to flood or drought—he will be paid 2.4 cents per pound on the normal production of 1 1/4 times 60 acres, or on 75 acres.

One effective way to keep hogs and pigs from picking up parasites that cause trichinosis is to provide legumes and other forage crops and to carry out a sanitary hog program.

STATE OF ALABAMA A PROCLAMATION BY THE GOVERNOR

Whereas, the Legislature of Alabama at the Extra Session 1936-37 ordered an election to be held by the qualified electors of the State of Alabama upon a certain proposed amendment to the Constitution of Alabama, which said amendment is herein set out, and ordered that said election be held on the First Tuesday in May 1938; and

Whereas, the First Tuesday in May 1938 will be and occur on Tuesday, May 3, 1938; and

Whereas, notice of such election, together with the proposed amendment is required by law and by the provisions of the Act submitting said amendment to be given by a proclamation of the Governor to be published in each County in the State of Alabama once a week for four successive weeks immediately preceding the said 3rd day of May 1938;

Now, therefore, I, Bibb Graves, as Governor of the State of Alabama, do hereby give notice, direct and proclaim that on Tuesday the 3rd day of May 1938, an election shall be held at the several polling places within the State of Alabama for the vote of the qualified electors of the State of Alabama, in the manner and form provided by law, upon the following Amendment to the Constitution of the State of Alabama of 1901, as follows:

"Section 138 of Article 5.—A sheriff shall be elected in each County by the qualified electors thereof who shall hold office for a term of four years unless sooner removed, and he shall be eligible to such office as his own successor. Whenever any prisoner is taken from jail, or from the custody of any Sheriff or his deputy, and put to death, or suffer grievous bodily harm, owing to the neglect, connivance, cowardice, or other grave fault of the Sheriff, such Sheriff may be impeached, under Section 174 of this Constitution. If the Sheriff be impeached, and thereupon convicted, he shall not be eligible to hold any office in this State during the time for which he had been elected or appointed to serve as Sheriff."

I further direct and proclaim that notice of this election upon Tuesday the 3rd day of May 1938, upon the above set forth amendment to the Constitution of the State of Alabama of 1901, be given by publishing the same once a week for four successive weeks next preceding Tuesday the 3rd day of May 1938, in each County in the State of Alabama in a newspaper published in said County.

In witness whereof I have hereunto set my hand and have caused the Great Seal of the State to be affixed at the Capitol in the City of Montgomery, on this the 16th day of March, 1938.

Baptist Church

Dr. Pearson will preach Sunday morning on "A Prayer for Revival." The theme of the evening sermon will be "No Other Name," answering the question often asked, "Can men be saved without knowing Christ?"

A week of special services begin Sunday, which we trust will be truly "revival" services. From Monday through Sunday, May 1, Rev. Leroy R. Priest, pastor of the First Baptist Church of Dothan, Ala., will be with us and will preach twice daily. The services will be at the church and will be held at 10:30 a.m. and 7:30 p.m. A most cordial invitation is given to everyone to attend all these services.

We are indeed fortunate to secure Mr. Priest for these services. He is a young man who has risen rapidly to the pastorate of one of the strongest churches in the state and has won a large place in the religious life of the state. He knows people and he knows the truth. He knows also how to preach the truth winsomely and effectively. Hearing him will be a privilege and will bring rich blessings to us.

All Christians are deeply conscious of the need of revival in our hearts, in our churches, in our communities, and in the world. Let every Christian pray, in the words of the song, "O, Lord, send a revival, and let it begin in me." Earnest prayer and cooperation will open the way to glorious results.

Mowing weeds early in the year is a good practice. By leaving a comparatively long stalk at first mowing it is easier to mow lower the second time and destroy the second crop of weeds without disturbing the shorter and desirable plants.

Conservation surveys in connection with erosion control work in Alabama have been completed on approximately 600,000 acres of Alabama farm land, reports O. C. Medlock, state coordinator of the soil conservation service.

TIME FOR SIDE-DRESSING COTTON AND CORN LISTED

Auburn, Ala.—Should cotton and corn be side-dressed with nitrogen? If so, when should it be applied? Answering these two questions, J. C. Lowery, agronomist, Alabama Extension Service, says:

"If less than 6 per cent nitrogen was used at planting, sufficient nitrogen should be applied as a side-dressing to bring the nitrogen up to 6 per cent.

"Cotton fertilized with 3-8-5, and 4-8-4, and 4-10-4 should be side-dressed at first cultivation after chopping to bring the nitrogen up to that in a 6-8-4 grade.

"For example, if 600 pounds per acre of 3-8-5 was applied at planting time, apply 112 pounds of nitrate as a side-dressing. If less than 600 pounds per acre of 3-8-5 was used, side-dress with about 20 pounds of nitrate for each 100 pounds of the 3-8-5 at planting.

"If 600 pounds per acre of 4-8-4 or 4-10-4 was applied under the cotton, apply 75 pounds per acre of nitrate as a side-dressing. If less than 600 pounds was used under the cotton, use 12½ pounds of nitrate as a side-dressing for each 100 pounds of the 4-8-4 or 4-10-4 used. Where 6-8-4 was used it does not need to be side-dressed.

"If home-mixing was used with ¼ of the nitrogen put under the cotton, apply the remaining ¾ at first cultivation after chopping.

"Apply up to 36 pounds of nitrogen (225 pounds of nitrate of soda or its equivalent) per acre as a side-dressing to corn 35 to 40 days after planting if the corn did not follow a good crop of winter legumes."

STATION FINDS WAY TO ERADICATE NUT GRASS

Auburn, Ala.—Nut grass can be eradicated on Norfolk sandy loam land by plowing or disking the land at regular intervals, reports E. V. Smith and E. L. Mayton, agronomists, Alabama Experiment Station.

"Plots of land heavily infested with nut grass were plowed or disked at intervals of one week, two weeks, three weeks, or four weeks, during two successive growing seasons, 1934 and 1935, from April until frost," they report. "Nut grass was destroyed by plowing every week, every two weeks, or every three three weeks, but not every four weeks. Disking was almost as good as plowing.

"The results of this experiment indicate that it is possible to eradicate nut grass on sandy soils by either plowing or disking at intervals of three weeks or less through-

out two successive growing seasons. Such treatment would, of course, prevent the growing of a summer crop on the land but a winter grain or hay crop which is planted in October and harvested by the first of June might be grown. Such a crop, in fact, would be desirable because land fallowed throughout the summer is very susceptible to erosion losses in the winter and a winter crop would give considerable protection. Nut grass will make very little growth in a dense crop of grain or winter legumes and tillage treatments would not be seriously delayed by such crops.

"A considerable amount of labor and time may be wisely spent on the eradication of nut grass from small areas before it spreads to larger areas," they conclude.

SUPPORT THE COLLEGE

Some weeks ago The Times made editorial reference to the matter of our townspeople cooperating with and supporting Alabama College in the various programs and occasions provided by the facilities of that great institution.

President A. F. Harman, in a letter to The Times, adds his endorsement in these words:

"On my return home after an absence of some two weeks I read with interest in the Montevallo Times of March 31 your interesting and helpful editorial, 'Support the College.'

"Let me express appreciation of the editorial and let me confirm quite sincerely the expressed opinion therein of the relationships that should exist between the college and the townspeople of Montevallo. It is the wish of the College that the people of the town feel free to take advantage of any and every opportunity for entertainment and for the advancement of culture provided by the College. The people are always welcome to share with us all our facilities in the way of education."

The Times thanks Dr. Harman for these words. We people of Montevallo poke out our chests and thumb our galluses when some body from away off refers to our college town and compliments us upon the fine things that are ours through the College. It makes us feel big. Then let us not forget all about it and kick the cover with our insomnia on nights when the College offers us those things which we like to brag about away from home.

THE CANDIDATES

Didn't we have fun at the meeting of citizens and candidates Monday night?

Those citizens who attended appreciate the activity of the Business and Professional Women's Club in providing this opportunity for them to see the candidates on exhibition.

The candidates, too, appreciated the chance to appear before the voters—and they were gratified that the women arranged the affair so it did not cost them anything other than the mere expense of travel in attending.

Naturally the observer gained varied impressions from the different candidates. We refrain from a discussion that would involve these impressions, because the candidates might think we were taking advantage of the occasion to toot someone's horn in a partial manner. Far be that from us. We are entirely willing for them to stand on their own bottom and have the impartial judgment of those citizens who saw them, listened to them, and, perhaps, thereby, determined whom they will vote for on May 3.

But we will venture one personal observation, to-wit: Bud Norwood and Bun White convinced the audience that they are good for something besides making a public speech. It was a draw between the two. Doubtless each of them hopes that the audience gained the impression that they should be invested with the duties of the office of Sheriff of Shelby County, rather than shouldered with the intricate task of making a public speech. We agree. And so far as your choice on May 3, well, it is either Bud or Bun, and let your conscience be your guide.

Either one of them could face a squad of Germans or a den of moonshiners with pointed rifles with more equanimity than they could face an audience expecting a public speech.

"HANDPICKING"

From our local candidate for member of the State Executive Committee (Dr. Chas. T. Acker) we obtain evidences that the chief issue in this race is "handpicking." And we remember the opening statement of Dr. Acker when he announced declared against the practice known as "handpicking."

David S. Anderson, of Birmingham, is leading the crusade to rid the Democratic Committee of "handpickers."

In this connection is recalled the McCord-Murphy race for National Committeeman, which showed an 87,000 majority against the handpickers, defeating them in every county in the state.

Anderson is seeking to have all candidates for places on the Executive Committee in the state definitely labeled as "handpickers" or "anti-handpickers."

Dr. Acker wishes to be recorded as strictly against "handpicking."

SKATING CONTEST

The final skating contest of the Montevallo Elementary School was held Monday, April 4, under supervision of Miss Ethel Harris.

The following winners were announced:

For third grade: David Ward; Fourth grade, Pat Wyatt; fifth grade, Truman Shaw; sixth grade, Mary Margaret Tatum.

Pat Wyatt was the winner in the all-school final, in which he exhibited some fancy stunt skating.

Walton Kroell, brother of Frances Kroell, of Montevallo, has gone to Chillicothe, Mo., where he enrolled for a course in both stenographic and commercial training.

Vote For Dr. J. A. Hines
For State Senator

A Statement to the Voters of Shelby County:

As a candidate for State Senator from the Fifteenth District, composed of the counties of Autauga, Chilton and Shelby, I ask your careful consideration of my personal qualifications and convictions on certain outstanding questions which will confront Alabama's law-making body during the next four years.

I am using this means of addressing you through your newspaper because I know it is physically impossible for me to see all of you in person before the primary.

I am being brought out by no pressure group or faction and am free to represent all the people and interests of the Fifteenth District.

1. Personal

I am 42 years old, a World War Veteran, and a practicing physician. I have practiced medicine at Siluria in Shelby County for the past 15 years. I am a native Alabamian.

2. Public Service

I have served as a member of the County Board of Education of Shelby County since 1935. For the past four years I have been a member of the Democratic Executive Committee of Shelby County. I am a life-long Democrat, having always believed in, practiced and supported those principles which are the foundation of our party and which are our party's contribution to good government.

3. Public Education

As your State Senator I will stand for and work to guarantee in Alabama a free term of 8 months for the elementary schools and 9 months for the high schools, with continued appropriations for the causes of higher education. I endorse the A. E. A. and P. T. A.

DR. J. A. HINES

program for education adequately financed. I will favor a comprehensive and adequate appropriation for education with full guarantee that school money shall be used for the schools. I believe education should be a primary function of government.

4. Taxation

I will favor keeping the present exemption of homesteads from state taxes, and also the extension of this exemption to apply to county and local taxes. I will favor a substantial reduction in the automobile tag tax. I will favor a reduction in the state gasoline tax. During the Miller administration this tax was increased two cents per

gallon to meet the falling revenue of the state at that time. At the present time the proceeds of this tax after eliminating the two cents will produce more revenue than in the peak year of 1929. Tourists are being advised to avoid Alabama on account of our excessive gasoline tax. This should not be. I will be in favor of keeping the present state sales tax only if, after enforcing rigid economy, it is found that public education, farm extension work, and other important state agencies cannot be adequately financed without the sales tax. I think I know it is a fact that Alabama's government can be efficiently and effectively operated cheaper than it is being done at present. Insofar as I may be able, in the Senate I shall seek to establish such measures of economy as will prevent useless expenditures of public funds, and at the same time safeguard the future success and proper function of the essential phases of our state government.

5. Reapportionment of Legislative Representation

I will favor reapportionment of legislative representation in conformity with the state constitution.

6. Secret Ballot

I will favor a modification of our ballot law to insure a strictly secret ballot.

I respectfully solicit your vote and influence and assure you that if elected, I will strive to represent all the people of this district conscientiously and impartially.

ARTHUR HEUSTESS

Arthur Heustess, a candidate for Associate Member Number Two of Alabama Public Service Commission, was born and reared in Covington County, and was educated in the public schools of the state. He is a World War veteran, spent six years in the U. S. Government Service, and has held appointive positions under Governors Brandon, Graves and Miller. During his entire adult life he has been active in state political and fraternal affairs.

J. M. Lyon Asks For Re-Election
On Strength of His Official Record

To the voters of Shelby County:

I am a candidate to succeed myself as President of the Board of Revenue. In again coming to you for this important office, I do so realizing its responsibilities, and with deep appreciation of your kindness to me in the past.

I will appreciate your active support in my behalf, and your vote in the Democratic Primary on the 3rd day of May, 1938. If nominated and elected, I promise to continue giving my best efforts to make you an honest, efficient, faithful, and energetic official.

In asking, at your hands, a continuation of your suffrage, I am impelled to believe that you are most interested in who can best serve the people in this capacity. My record and character is before you. The knowledge and experience gained in serving you better fits me to render more efficient service in the future. In requesting your help I do so on my own merit, rather than on the demerit of anyone. I am led to believe that my record as your President justifies me in asking a continuation of your confidence and support in the coming primary election.

My official duties and the burdens of a campaign will make it next to impossible for me to see each of you in person. I, therefore, trust that you will consider this a

personal appeal to you, and accept it as such.

I confess my mistakes, and realize my imperfections, yet I am hopeful that my record as a man, and as your President, is such that you may feel that a still further continuation of your support, and vote, in my behalf is justifiable and merited.

With deep gratitude, and regards, I am,

Sincerely yours,
J. M. Lyon.

Clyde Adams Aspires
To Serve On County
Board of Education

To the voters of Shelby County:

I have long desired to serve you in a worthy way. Since I am deeply concerned in the problem of sending your boys and girls to school, and recognizing the importance of everyone having himself equipped for life, I most earnestly desire your vote and influence in electing me to this place for which I have announced.

I have lived in Shelby County all my life; only having spent a few years out of the county furthering my education. I am personally acquainted in the many current problems of keeping your children in school, having helped send three through high school.

If you elect me to this work, I promise to give my unbiased, unselfish thought and very best honest efforts. I thank you.

CORRECTION

In the report of the Medical Society meeting last week, the article in The Times said:

"Mrs. Jeter talked on the recent purchase of a Pneumothorax machine by the Red Cross and its use in the County."

Mrs. Jeter requests us to make correction of that statement by saying that the purchase of this machine was not by the Red Cross but was by the anti-tuberculosis association of Shelby County, and with funds derived from the sale of Christmas Seals.

These Gates Will Greet You at New York World's Fair

NEW YORK—The two pairs of pylons which are on opposite sides of the picture may be the first objects you will notice when you approach the New York World's Fair 1939, for they mark the en-

trances to the Transportation Zone. Similar decorative pylons will accentuate other portals to the exposition. The futuristic building between the entrances above will contain a huge, free focal exhibit.

High School News

(By Bob Anderson)

The time for the Arista Club Banquet has been changed from seven to six o'clock Friday evening. This was done because of the University Band Concert in Palmer Auditorium at eight. The dance, however, will be held as planned, immediately following the banquet in the high school building.

All alumnae of the Arista Club are invited to the dance. There will be a stag list made up of students not in the club, besides the dates of the members.

The art classes of M. H. S. have been busy this week making posters for the baseball games of the season, the first of which was played yesterday. Tickets for the games are on sale by players, Girl Scouts, and other students. Miss Minnie C. Barker is in charge of ticket sales. Season tickets are priced at twenty-five cents for high school and college students, while adult tickets are seventy-five cents.

Work has been started by the staff of the "Spotlight" on the April issue, which will be on sale the latter part of this month. There are only two more issues of the paper this year.

Committees from the Senior Class have been considering for some time what gift the class will give the school with the money made on the play. Several fine gifts have been considered, among them a motion picture projector, mimeograph machine, and laboratory equipment. Though no definite gift has been decided on yet, the mimeograph machine idea seems to have the most support among the members of the class and the faculty.

Through the efforts of Dr. M. L. Orr, Montevallo High School faculty members J. T. Bagwell and Leon Hicks, and Mr. A. C. Anderson, the school is to buy a motion picture projector. The machine to be purchased is approved by the National Education Association. It will be bought from Bromberg's, in Birmingham, in the very near future. The machine will be used in connection with scientific study, and also progressive education work in the Junior High.

HIGH SCHOOL WILL BE OBJECT FOR STUDY

Montevallo High School has been chosen one of the three schools in the state to be the object of a revision curriculum study by the Southern Association of Secondary Schools.

Graduates of the high school will be admitted to college without the usual entrance requirements but with the recommendation of the principal. The experiment is similar to the Wilford Aiken Experiment in the North.

Four faculty members from the high school will go to Vanderbilt this summer for six weeks of work and study in the field of curriculum revisions.

FISHING REPORT RESUMED

For the second successive season the Alabama Department of Conservation will prepare and distribute a weekly report on fishing conditions in Alabama. The first one went out of the Montgomery office on April 15, and it will be followed by one every Friday during the remainder of the spring and summer. Nearly 100 streams and lakes are inspected weekly by game wardens who send their findings to headquarters for condensation and distribution. Several daily papers and radio stations use the report each week and it is available for individual fishermen who want it. Address Department of Conservation, State Capitol, Montgomery, Ala.

Blount was originally one of the largest if not the largest county in the state. It extended from the Tennessee River on the northeast to the city of Tuscaloosa on the southwest, and included most of Marshall, Etowah, a part of Shelby, all of Jefferson, part of Walker, Winston and Cullman. It has been trimmed until it is now smaller than the average county.

Sports Spotlight

The third game of Montevallo High's season was played yesterday in Montevallo with Centerville. At the time this column is written the outcome of this game is unknown.

The results of the two previous games are as follows: Wednesday, Montevallo 7, Centerville 8; Friday, Montevallo 4, Columbiana 2.

In the Centerville game, the lineups were as follows:

Montevallo High School	
Ambrose	ss
Cary	c
Williamson	lf
Lovelady, Comer	rf
Dement	1b
Hartley	2b
C. Johnson	cf
A. Johnson	3d
Comer, Lovelady	p
Bibb County High School	
McGee	ss
Snead	c
Griffin	lf
Cottingham	rf
Kennard	1b
Cleveland	2b
Nicholson	cf
Morrison	3b
Lee	p

In the Columbiana game, Montevallo kept the same lineup except for Harrison at pitcher, Lovelady at left field, and Comer at right field.

There will be a return game with Columbiana tomorrow afternoon. Coach Hicks announces that the same schedule used in the game last Friday will probably be used in this game.

23 BOYS AND GIRLS WIN COTTON CONTEST

Auburn, Ala.—Twenty-two boys and one girl have been named as winners in the Better Staple Cotton Contest sponsored by the Alabama Cotton Manufacturers' Association.

All the winners produced cotton of one inch and longer in staple length by using improved varieties such as Stoneville, D. P. L. and Clevevilt. About 800 boys and girls entered the contest.

As reported by J. C. Lowery, agronomist, Alabama Extension Service, the winners are: Wiley Dean, Coffee County; Warren Glasscock, Elmore; Jack Moore, Coffee; Fred Moore, Coffee; Clarence Hatchett, Talladega; Leonard Wyatt, Shelby; James Limbaugh, Talladega; Fred Canada, Talladega; Robert Morris, Talladega; R. J. Ray, Shelby; Gladys Woodruff, Tallapoosa; John Will Cotney, Chambers; Wallace Lindsey, Cleburne; Glenn Handley, Tallapoosa; Latham Norton, Calhoun; Harlan Bryant, Calhoun; Charlie Hudgins, Calhoun; Grady Loden, Marion; Clarence Davis, Marion; Alvin Robinson, Limestone; Foster Gamble Owen, Tuscaloosa; Lloyd Masingale, Hale; and Joe Delma Hicks, Conecuh.

The contest was a part of a state-wide cotton improvement program conducted in Alabama last year by the Alabama Extension Service cooperating with cotton farmers, ginners, manufacturers and others interested in improving the cotton produced in the state.

HEALTH OFFICER WARNS PUBLIC AGAINST QUACKS

Although early-stage cancer is curable, the patient is almost certain to lose his chance of a cure unless he places himself under the care of a qualified physician, Dr. E. F. Sloan, Shelby County Health Officer, declared Wednesday in warning cancer sufferers against quacks promising quick and miraculous cures of this disease.

"Whether he promises to perform miracles of curing by means of surgery, radium, the x-ray or some agency of his own devising, the cancer quack constitutes society's Public Enemy No. 1 as far as this disease is concerned," Dr. Sloan said. "Human greed and selfishness seldom find more perfect expression than in the willingness, even eagerness, of men and women of this type to coin blood money out of the agony, suffering and desire to get well of those who have, or think they have, cancer or some other serious disease. Those who glibly promise quick and miraculous cures to snare the victims of their nefarious racket are constantly robbing cancer sufferers of their chance to obtain a real and permanent cure."

Business and Professional Women Sponsoring A Flower Show

To the Citizens of Montevallo:

The Montevallo Business and Professional Women are sponsoring a flower show early in May, which will be held on Saturday afternoon in the display room of Alabama Power Company. Many citizens who are flower lovers have expressed an interest in this show and a desire to make this exhibit a creditable community undertaking. So we have decided to ask all the flower lovers and gardeners for their assistance. Will you please answer the questions in this article? The answers you make will influence the final plans for the exhibit. Your cooperation will be appreciated. Return the answered questionnaires to Alabama Power Office, Mahan Beauty Shop, College Post Office. — Georgie Leeper, Chairman Flower Show, Montevallo Business and Professional Women.

1. What date in May would we get the best selection of flowers?-----
2. What flowers and plants would you be interested in displaying?-----
3. Would you be interested in promoting a flower exchange in which you offered to exchange certain plants or seeds or slips at end of season in return for certain others?-----
- Any suggestions for developing the exchange?-----

Air Mail Week May 15 to 21

Second Assistant Postmaster-General Harlee Branch announced today that the Post Office Department will celebrate the Twentieth Anniversary of the inauguration of regular air mail service by observing the first National Air Mail Week from May 15 to May 21, 1938. Postmaster-General James A. Farley will be honorary national chairman of the committee which will arrange for fitting observation. Paul R. Younts, postmaster at Charlotte, North Carolina, will be active chairman of the campaign.

W. Cooper Green, postmaster at Birmingham, will be state chairman for Alabama.

An official cachet will be authorized at Kitty Hawk, North Carolina, the birthplace of aviation, to honor the Wright Brothers. Every other post office in the United States, of which there are over 45,000 will be authorized to arrange for its own local cachet.

Thousands of privately licensed pilots will be given the opportunity of becoming air mail pilots for a day to fly the mail from interior offices to air mail stop points.

MACKEREL APPEAR EARLY

Here's good news for deep sea anglers, many of whom go several times each year from the interior of Alabama to Mobile and Baldwin County waters in search of tarpon, mackerel and other fighters. The king mackerel, running several weeks ahead of schedule, appeared off Sand Island in lower Mobile Bay on April 14, according to Capt. Earl Bryant, widely-known boat operator of Bayou LaBatre. One of his boats came in that day and reported king mackerel "by the thousands" off shore from Sand Island. Capt. Bryant said they were the largest schools ever sighted. Ordinarily the mackerel make their appearance in May off the Alabama coast, but they are early this season.

Goode Spoke Here Saturday

Candidate For Governor Addressed Voters in Elementary School Auditorium

Robert J. (Bob) Goode, candidate for governor of Alabama, addressed the voters of Montevallo on Saturday evening, April 23, in the auditorium of the Elementary School.

Mr. Goode's platform, which he presented clearly and forcefully, impressed the voters present by its sincerity. He spoke at length upon his record of 16 years as a member of the Legislature, his work in the interest of good roads, education, and agriculture. He called the attention of the voters to his record as Commissioner of Agriculture and presented this record in showing the people of the state what they could expect of him as Governor.

He denied any connection with the present state administration and charges made by his opponents that he was in league with certain state department heads. Mr. Goode advocated an 8 months school term for elementary schools, 9 months for high schools and adequate support of the institutions of higher education.

Mr. Goode promised to work for the good of agriculture, industry and education. He advocated continuance of the homestead exemption law with extension to include county and city taxes. He said he believed that ad valorem taxes could be lowered, and that he would work toward that end.

In regard to the sales tax, Mr. Goode advocated its continuance with the nuisance features removed. He would pay merchants 5 per cent for collecting the tax to compensate them for the time, work and trouble involved therein.

He declared himself in favor of automobile tags priced at \$3, \$5, \$7 and \$9, according to their present classifications.

In conclusion, Mr. Goode attacked Dixon on the short ballot and civil service, which Dixon advocated four years ago and which he has dropped from his platform in this campaign. He charged Dixon with "straddling the fence" in regard to the sales tax and called upon him to make himself clear on these important issues.

PRESBYTERIAN CHURCH

"Hearing God Speak" is the subject of the Rev. A. J. Cox at the 11 o'clock worship service on Sunday, May 1st. Miss Edith Dees will render a voice selection.

The Church School will meet at 9:45 a.m.

The Christian Endeavor Society will have its annual election of officers at 7 p.m., followed by a party for the graduates. All Presbyterian and Episcopalian seniors and graduates not having a church-home in Montevallo are cordially invited to attend. Further notice will be sent out.

CLIFFORD FULFORD ELECTED TO STUDENT HONOR COURT

University, Ala.—Clifford Fulford, of Montevallo, was elected this week to the student honor court at the University as a representative of the Sophomore class in the School of Arts and Sciences.

Fulford also served on a committee to arrange plans for the annual formal dance given by the University's concert band which is to be held Friday night, April 29.

The student court to which Fulford was elected of each school has jurisdiction over all matters pertaining to that school or college.

CHURCH OF CHRIST

Memorial Exercises Held By The U.D.C.

The Memorial Service sponsored by the General Josiah Gorgas Chapter of the United Daughters of the Confederacy, was held in the Baptist Church Tuesday, April 26, at 10:30 o'clock. Mrs. F. P. Givhan played the organ as the congregation assembled. Dr. F. B. Pearson led the invocation after which Mrs. Givhan played an inspiring medley of Southernaires. Margaret Tatum from the 6th grade and Elizabeth Albright from the 5th grade were awarded prizes for the best essays written from their classes on Robert E. Lee and Stonewall Jackson.

There was a short memorial service in which the following patriotic organizations participated: Edward Lyman, Jr., and Bubber Davis, Boy Scouts, placed flowers in the memorial wreath to the memory of Theodore Roosevelt and Woodrow Wilson. Julia Rogan, Girl Scout, honored Juliette Lowe, nationally known Scout worker. Mrs. J. L. Appleton, president of the American Legion Auxiliary, honored two local men who sacrificed their lives in the World War. Mrs. T. H. Napier, state vice regent to the Daughters of the American Revolution, David Lindsay Chapter, honored the memory of Miss Hattie Lyman and Mrs. Howard Mann. Miss Bessie McCary placed flowers to the memory of Capt. H. C. Reynolds, and the organizer of the local U. D. C. Chapter, Mrs. T. W. Palmer.

The chapter was fortunate to have for their speaker, Mrs. J. H. McCoy. Mrs. McCoy's address was both instructive and inspiring and was given to an appreciative audience. General Lee's favorite hymn, "How Firm a Foundation," concluded the program.

The service was a combination service as the Baptist revival is now in progress and when the U. D. C. program ended, the Rev. Leroy Priest gave a most excellent sermon using as his theme "Standard Bearers."

The chapter wishes to express here its thanks to the Baptist people for their cooperation in the use of their church. We are doubly grateful under the existing circumstances of a joint meeting.

Four Arrested Monday In Raid On Wildcatters

Two negroes, Rich Anderson and Rich Bridges, and two white men, J. D. Parks and Charley Parks, were arrested Monday afternoon in connection with the raid of a wildcat still which was found in full operation two miles west of Aldrich. The negroes were caught at the still, while the white men ran away and were taken into custody later. The officers reported that the Parks men gave their names as Byars.

The raid was conducted by Policeman Clyde Gardner, of Montevallo, and deputies Hugh Shaw and George Harrison from the office of Sheriff Fore, in Columbiana. There were two 60-gallon stills, one of which was in full operation; also 150 gallons of beer and 8 gallons of newly made corn whiskey.

The Sheriff's deputies carried all four men to Columbiana to answer charges of illicit distilling.

LEADERSHIP SCHOOL HELD IN COLUMBIANA

Miss Lavada Curtis, Extension Specialist in Food Preservation, conducted a Leadership School in Columbiana on April 23. The subject of the demonstration was standardization and the canning budget. Each leader present worked out a year's canning budget for her family and resolved to raise the standards of her home canned products. Thirty-eight leaders and club presidents attended this meeting which was scheduled to assist the individual leaders in giving the May demonstration for their clubs. A picnic lunch followed the meeting which adjourned at 12:30.

HOWELL TURNER

Montevallo friends of Howell Turner, present Secretary of State, who is a candidate for State Auditor, are pointing out the fine record he has made in the last eight years as an officer of the state. As secretary to Gov. Miller, 1931-35, he was often commended for courtesy and efficiency. As Secretary of State, he has handled details with equal precision, and in addition has operated his office without increase in cost during the four years.

College Theatre Will Show "Dear Brutus"

The mystic, comic atmosphere of "A Midsummer Night's Dream" will reign at Alabama College Friday evening when the College Theatre presents "Dear Brutus," a fantastic comedy by James Matthew Barrie. The play will be given in Palmer Hall at 8 p.m.

Included in the cast are: Modesk Kirksey, Aliceville; Grace Robbins, Fairfield; Frances Douglas, Montgomery; Carolyn Baker, Ensley; Ellen Preuit, Town Creek; Margaret Hickman, Birmingham; Cary Sanford, Fairfield; Lois Sheffield, Selma; Elizabeth Reynolds, Selma; Sadie Mae Burgess, Irondale, and Katherine Gay, Ashland.

The play shows what would happen if we were given the second chance that we all crave. The theme is admirably carried out by Miss Kirksey, who plays Lob, the second Puck.

Members of the College Theatre made a series of new sets for this production. Dr. Walter H. Trumbauer is director of the Theatre.

Complimentary tickets are available to English teachers and high school seniors upon request to Dr. Trumbauer.

DEPUTY HUGH SHAW IS CANDIDATE FOR CORONER

Mr. Hugh Shaw, who occupies the position of Chief Deputy Sheriff of Shelby County, is a candidate for Coroner in the Democratic primary next Tuesday.

While living in Columbiana for the past several years, Mr. Shaw is originally from Helena, where he was a farmer before becoming identified with public life. He has been a deputy sheriff for the past fourteen years, and has been chief deputy under Mr. Fore since last November.

ANNUAL 4-H CLUB RALLY TO BE HELD APRIL 29

The annual 4-H Club rally will be held in Columbiana on Friday, April 29, beginning at 9:30 a.m. The program for the morning includes a band concert, an address by Dean T. H. Napier of Alabama College, and a program of stunts and short plays given by the 4-H clubs. Frank McKnight, of the Columbiana Boys' Club and Marguerite Coates, President of the Siluria Girls' Club will preside. The program for the afternoon will include a parade and an outdoor recreational program.

Mrs. Yeager, And Miss Cahoon At Convention

Mrs. Alice Yeager and Miss Pearl Cahoon of the Yeager Studio, attended the Southeastern Photographic Convention in Atlanta April 18-20.

They enjoyed a great number of very timely and interesting program features of the convention, all of which were of great value to those who practice the photographic art.

Among the outstanding features that most interested Mrs. Yeager and Miss Cahoon was a lecture on posing and lighting, presented to the convention by Mr. Jack Wamsley, of the Eastman Kodak Company. Mr. Wamsley is regarded as one of the finest platform men in America.

Another was by Mr. J. W. Bradley and Mr. John Wrigley, of the Photo Process Engraving Co., on types of photographs that should be made and supplied to photo engravers. This subject was of very particular interest to Mrs. Yeager and Miss Cahoon, since they are each year called upon to make a great number of pictures that must be constructed technically for making photo-engravings, or "cuts" for printing purposes.

"These speakers," said Mrs. Yeager, "explained many misconceptions of what each of us wants in individual photographic effects, and our need for a more intelligent understanding of our mutual problems."

Mr. Paul Linwood Gettings, Dallas Texas photographer of national renown, was on the program with a discussion of new thoughts and ideas of lighting and beautiful movie effects.

Mr. and Mrs. J. A. Mahan of Clanton and Mrs. Fran Davis of Thorsby spent Sunday afternoon with Mr. and Mrs. W. M. Davis.

Mr. Joe Katz spent Monday night with his parents in Birmingham.

Mr. and Mrs. Hartford Baker and children, Betty Jean, Fred and Charles Edward of Birmingham spent Monday night and Tuesday with Mr. and Mrs. J. N. Baker.

Mr. Gerald Fulton of Columbiana was a visitor in town Thursday.

Mrs. W. B. Morrell of Gadsden is spending several days with Mr. and Mrs. S. M. Mahan.

Mr. Reese Woolley made a business trip to Columbiana Saturday.

Mr. Hugh Shaw, candidate for coroner, was in town Monday.

Mrs. T. N. Austin of Selma spent several days of this week with Mrs. Edna Heath.

Miss Louise Smith of Talladega is visiting her aunt, Mrs. Mattie Hubbard, this week.

Huge Rallies Close Dixon's Campaign

Candidate Will End Race With Radio Address on Eve of Election

Frank M. Dixon, candidate for governor, brings his campaign to a triumphant close this week with three huge rallies in the principal cities of the state. Monday he addressed thousands of voters from the southern tier of counties in a gigantic rally in Bienville Square, Mobile.

Wednesday an equally large crowd from the Black Belt counties heard the leading candidate for governor in a stirring speech at Montgomery.

Dixon will make his final stump speech in Birmingham Friday night after a day of parades of automobiles throughout the district. It is estimated that 10,000 persons will take part in the huge rally to show their support of the man they believe to be the successful candidate.

Last Saturday marked the end of one of the most intensive campaigns ever staged by a gubernatorial candidate. Within five weeks, Dixon spoke in 58 counties to an estimated aggregate of more than 80,000 persons. He confined his speeches to county seats and spoke in as many as three counties in one day to crowds ranging from never less than 500 to as high as 3,000.

Belaboring the present administration for making government a grab bag into which the governor could reach and take out prizes for his political favorites and charging that the governor had made the pardon and parole system a racket and hired legislators to do his will, Dixon made it clear to the listening thousands that he had dedicated himself to abolishing such practices.

His promise of better educational facilities for the children of the rural communities, giving them eight months school in the elementary grade and nine months high school, brought cheers from his audiences everywhere. His plan to bring agriculture and industry in balance by bringing industries into rural communities, and his pledge to maintain essential farm agencies to help the farmer build up his land and his income met with cheering approval wherever he went.

Friday will end Dixon's appearance on the stump. However, he will make a final radio address on Monday night, May 2, at 9:15 p.m. over a state-wide hook-up of Alabama stations. It will be possible to hear his final speech from any point in the state by tuning in on the nearest local station.

His speech will come on the eve of what is expected by political observers to be the heaviest ballot in Alabama's history. Predictions of the ballot range as high as 350,000, and Dixon leaders throughout the state predict that he will get from 175,000 to 200,000 votes, depending on the total cast.

Baptist Church

Revival services continue through this Sunday. Services are held each day at 10 a.m. and 7:30 p.m. Brother Leroy R. Priest, pastor of the First Baptist Church of Dothan, is speaking at these services. His messages are full of Gospel truth and power. Do not miss the opportunity of hearing him. Come to the services. Invite others. Bring your friends. Pray that great spiritual blessings may be bestowed upon all. As the meetings will close Sunday night the time is short. Let us do our best daily for Christ and for lost souls.

Mr. and Mrs. Sandy Smith of Coleman, Mr. and Mrs. R. W. Hartley, Mr. and Mrs. H. L. Morse, Misses Eddith and Helen Hartley, Mr. Dub, Sam, and Bill Hartley spent Sunday in Montgomery.

BY THE
GOVERNOR

Whereas, the Legislature of Alabama at the Extra Session 1936-37 ordered an election to be held by the qualified electors of the State of Alabama upon a certain proposed amendment to the Constitution of Alabama, which said amendment is herein set out, and ordered that said election be held on the First Tuesday in May 1938; and

Whereas, the First Tuesday in May 1938 will be and occur on Tuesday, May 3, 1938; and

Whereas, notice of such election, together with the proposed amendment is required by law and by the provisions of the Act submitting said amendment to be given by a proclamation of the Governor to be published in each County in the State of Alabama once a week for four successive weeks immediately preceding the said 3rd day of May 1938:

Now, therefore, I, Bibb Graves, as Governor of the State of Alabama, do hereby give notice, direct and proclaim that on Tuesday the 3rd day of May 1938, an election shall be held at the several polling places within the State of Alabama for the vote of the qualified electors of the State of Alabama, in the manner and form provided by law, upon the following Amendment to the Constitution of the State of Alabama of 1901, as follows:

"Section 138 of Article 5.—A sheriff shall be elected in each County by the qualified electors thereof who shall hold office for a term of four years unless sooner removed, and he shall be eligible to such office as his own successor. Whenever any prisoner is taken from jail, or from the custody of any Sheriff or his deputy, and put to death, or suffer grievous bodily harm, owing to the neglect, connivance, cowardice, or other grave fault of the Sheriff, such Sheriff may be impeached, under Section 174 of this Constitution. If the Sheriff be impeached, and thereupon convicted, he shall not be eligible to hold any office in this State during the time for which he had been elected or appointed to serve as Sheriff."

I further direct and proclaim that notice of this election upon Tuesday the 3rd day of May 1938, upon the above set forth amendment to the Constitution of the State of Alabama of 1901, be given by publishing the same once a week for four successive weeks next preceding Tuesday the 3rd day of May 1938, in each County in the State of Alabama in a newspaper published in said County.

In witness whereof I have hereunto set my hand and caused the Great Seal of the State to be affixed at the Capitol in the City of Montgomery, on this the 16th day of March, 1938.

Candidate
For
CONGRESS

The undersigned Tuscaloosa County born farm boy asks the ladies and gentlemen Democrats in the primary of May 3, 1938, to give him the nomination to represent Alabama's Sixth District in Congress for the 76th term.

A mighty vote shall insure our overwhelming election in November.

"Big Bud" McGraw Presents High Spots In His Platform For Senator

Long Record of Service to Public
Given As A Leading
Qualification

To the voters of Shelby County: I will appreciate your support of me as your Senator from the Fifteenth District, counties of Autauga, Chilton and Shelby.

I am a native of Shelby County, born and reared in the same community as I am now living in. I am a merchant and farmer, a member of the Baptist Church, a Mason, Odd Fellow, Knight of Pythias, and Woodman of the World.

I was the first president of the Board of Revenue of Shelby County, elected by the Democratic Party. I represented Shelby County in the Legislature under the Miller administration in 1932 and 1933.

I am under no obligations to any man or men, and will promise you to look after the affairs of your county with fairness to you and equity to all.

Being a farmer, I know the problems of the farmer, and will lend my help to any measure for advancement.

Being a merchant, I know the problems that confront them, and will promise my very best for their aid.

I have always been a friend to education. I stand for and will work for a full term school both elementary and high. It shall be my purpose to use my efforts to the end that all secondary schools and colleges shall be amply provided for.

I was one of the original organizers of child welfare in Shelby County and am now a member of the board. Believing in this, I will work for advancement along this line.

Realizing that Old Age Pension is not receiving its proper share of funds, I shall use my efforts for increased appropriations for this work. I am in favor of the payment of two years of back poll tax, reinstating those voters who are in arrears.

I am in favor of a secret ballot. I am in favor of the homestead exemptions and hope it can be had both for state and county.

I was chairman of the committee in Shelby County that wrote prohibition in the constitution.

I am opposed to the liquor traffic as it now exists in Alabama.

I am opposed to the two per cent sales tax. This tax was put on as an emergency for the schools. The only emergency it has cared for is to provide funds for the hosts of state agents that have flooded Alabama.

The purpose of this tax as the proponents of the bill said, was to take care of the school needs. As it now stands, the records show that the schools have gotten less than one fourth of the amount collected.

We have the gasoline tax that

J. F. (Big Bud) McGRAW

is used for roads and I believe it is used wisely. I shall oppose any additional gasoline tax and will stand for division of same to each county as it is now being divided.

I will favor an automobile tax from five to ten dollars with drivers license as it now stands.

I am opposed to the waste and extravagance that has been practiced during this administration, and will do my best to aid in giving Alabama an economical, fair and intelligent government.

It was my intentions to visit as many of you as possible so that we might know each other but unfortunately for me, I was taken with flu, Monday, the 21st, and am not now able to leave my room. I hope that I may be able to see as many of you as possible during the week if the weather permits.

Believing from my experience in the House of Representatives in Montgomery and my fifty years of active business life, I am qualified to represent you as your Senator. I am asking your support and influence, and if I am your choice, it will be my pleasure to have you come to me with any problems confronting your county.

Sincerely yours,
J. F. (Big Bud) McGRAW

NUMBER OF DOCTORS
LOWER THAN 25 YEARS AGO

Shelby County has 36 per cent fewer practicing physicians than it had a quarter of a century ago. Dr. J. N. Baker, State Health Officer, pointed out in an address delivered during the annual meeting of the Medical Association of the State of Alabama, which was held in Mobile Tuesday through Thursday of last week, (April 19-21).

"The medical profession, which has been making such great progress in the conquest of disease during the past 25 years, has nevertheless lost ground numerically," he said. "In spite of an increase of approximately half a million, or about 21 per cent, in the state's population, accompanied by higher living standards, and a greater appreciation of the importance of proper medical care as a factor in the general well-being of the community, there has been a decrease of nearly 16 per cent in the number of physicians providing this care. Alabama now has only 1,887 physicians, as compared with 2,245 in 1912. The present total includes 67 full-time county health officers, doing no general practice, of which there were none in 1912. Thus there are 425 fewer physicians engaged in private practice than a quarter of a century ago."

Dr. Baker pointed out that Coosa County suffered the greatest percentage of loss of physicians during the 25-year period, with 20 doctors in 1912 and only four at present. Only nine counties have more doctors now than 25 years ago, he said, these nine being Jefferson, Chambers, Colbert, Etowah, Lee, Macon, Mobile, Montgomery, and Tuscaloosa. Most of these nine, he added, are largely urban.

Alabama Farmers lose thousands of dollars annually from stomach and intestinal parasites in calves and sheep, reports F. W. Burns, extension livestock specialist.

SINGING AT SILURIA

The regular 1st Sunday afternoon singing will be held at the Siluria Methodist Church Sunday, May 1, beginning at 1:30 o'clock. Everyone is invited to come. Bring books.

FOR MEMBER OF THE LEGISLATURE FROM CHILTON CO.

To the Readers of The Times, Who are Voters in Chilton County:

I am a candidate for Member of the House of Representatives from Chilton County. I will appreciate your support in the campaign and your vote in the primary of May 3.

A. E. Norwood Asks
Nomination as Sheriff

To the voters of Shelby County:

Realizing the fact that it is practically impossible for me to see each of you before the primary election of May 3, 1938, I desire to make the following statement to you.

It has been my ambition through life to serve as Sheriff. I am familiar with the duties of this important office, and am mindful of the responsibilities that rest upon the shoulders of a Sheriff. All I ask is that you elect me Sheriff of Shelby County, and I will serve you in a way that will protect the morals throughout our county, and to the end that you will be pleased in every way with my conduct in general.

If I am honored by receiving the nomination on May 3, and am elected Sheriff of Shelby County, it will be my purpose to select men of high character to assist me in the enforcement of all laws now on the statute books, and I promise you that I will discharge each official duty impartially and fearlessly.

I have not accepted contributions from any source neither will I do so. Every cent that I have expended during this campaign was of my personal fund. If elected, I will assume my duties as Sheriff unhandicapped and free to act.

I trust that you will honor me on May 3 with your vote, and if you do, I will be deeply grateful and assure you that you will never have occasion to regret having done so.

Yours very truly,

A. E. (Bud) NORWOOD
(Paid political adv. by A. E. Norwood, Calera, Ala.)

Miss Beatrice Fancher spent several days of last week with Mrs. C. H. Fore in Columbiana.

Mr. and Mrs. J. W. Batson of Sylacauga spent the week-end with their daughter, Mrs. B. McLain, and children.

Mr. and Mrs. Jack White and little son, Charles, of Columbiana spent Saturday with Mrs. Harry Bledsoe and Miss Willie Gould.

A. L. Hardegree Seeks
Re-election as Solicitor

To the voters of Shelby County:

Permit me again to express to you my gratitude for all past favors, and also my regret of my inability to speak to each of you in person with reference to my candidacy for Solicitor. I am profoundly grateful for the many favors shown me, and am hopeful that you will again, if my official and personal record warrants, on the 3rd day of May 1938, give me the opportunity of continuing to serve you as your Circuit Solicitor.

It has always been my desire to serve my people honestly, efficiently, and impartially. I have at all times endeavored to see that justice was done. I shall continue to act in this way should I be nominated and elected Solicitor. You are familiar with my personal and public life, which is by no means perfect, but on which I am willing to stand.

I again solicit your vote in the coming primary, in the most friendly way I know, assuring you that it will be greatly appreciated. Should the people again be so good as to entrust me with this, their office, I will endeavor to make a good prosecutor—not a persecutor—tempering justice with mercy when facts and conditions will permit.

With a heart full of gratitude, and personal regards, I am,

Sincerely yours,
A. L. HARDEGREE

WE BELIEVE IN ALABAMA CHAMPIONS

The News finds satisfaction in the announcement that an Alabama girl has won the year's national collegiate championship in oratory.

First, we are delighted just because Miss Ellen Farish, of Alabama College at Montevallo, is a champion. We believe in champions. On occasion, it's true, we have agreed with persons who said the country was becoming too cluttered with champions, but we never agreed at a time when some audacious Alabamian had just occupied a spot above the rest of the crowd. We always believe in champions—from Alabama.

And second, we like the victory of Miss Farish because it helps to invalidate once more, and emphatically, that picture of the Southern woman as a creature sans intellectual interest and curiosity, a picture too often painted by superficial writers of fiction. Miss Farish supports our belief that Southern women never have been surpassed in their will and their ability to achieve.

Then, finally, we are proud to know that this Alabama girl's oration presented an appeal for that sort of education which will honestly and frankly prepare youth to meet its problems, regardless of taboos and ancient prejudices. That kind of education will produce more champions for Alabama. Birmingham News.

VOTE FOR DARDEN BECAUSE:

1. He is well qualified for the office of Circuit Solicitor, and he will fairly, impartially and efficiently discharge the duties of this important office for the best interests of all the people.

2. There will be a new County Solicitor appointed by Darden, in the event of his election. The present County Solicitor has been in office many years and it is not fair or democratic to keep him in this office longer. He is supporting, piloting Mr. Hardegree, Darden's opponent, over parts of Shelby County, aiding him in his campaign otherwise. Hardegree has stated he will again appoint the present County Solicitor, if he is elected a fourth time on May 3. Let's have a new broom in the Circuit Solicitor's and County Solicitor's offices. Vote for Darden and clean out both offices.

3. Solicitor Hardegree is now running for a fourth consecutive term—finishing his third successive term as Circuit Solicitor. He was County Circuit Solicitor, he County Solicitor of Clay County approximately seven years. He has been on the payrolls of Clay County approximately nineteen years in succession and has drawn for his services more than forty thousand dollars. Hardegree now draws a three thousand dollar salary plus two hundred dollars per year for his expenses while attending courts in Shelby and Coosa Counties. When do you think he will ever be satisfied? The voters have the answer on May 3rd—next January. Now is the time to shatter the fourth term ambition of Solicitor Hardegree.

4. The office of Circuit Solicitor should rotate among the three counties, Clay, Coosa and Shelby, like the office of State Senator. Shelby furnished this office about seven years; Clay County, in the person of Darden's opponent, has furnished the Circuit Solicitor for the past three full terms—twelve years—when present term expires.

BROWN TAKES THE CAKE

"If I can do as well in the Primary next Tuesday as I did at the candidates meeting at Helena Methodist Church this Tuesday, everything will be hunky-dory," said Mr. W. L. Brown as he came back from Helena bringing with him a monster cake as big as a wash tub.

This is the story, briefly: The ladies of the Methodist Church at Helena had a public dinner Tuesday for the benefit of the church. The candidates were invited, and most of them went.

After dinner each candidate was given five minutes in which to address the assembly. Not knowing there was to be any kind of a contest or decision in the matter of speech-making, each candidate busted down with whatever he could think of to say, with the hope, of course, that it would be the proper thing.

After all had spoken, the crowd began to disperse. Having gotten out of the house, Mr. Brown was called back, and he re-entered the place with fear and trembling, wondering if he had said the wrong thing. Much to his surprise, and more to his pleasure, he was informed by the committee of ladies that he had been awarded the cake for making the best speech in the whole bunch.

ALDRICH STUDY CLUB

The Aldrich Study Club met Wednesday at the home of Mrs. Dovie Shaw. Mrs. P. N. Lee, president, presided over the business session. Miss Opal Payne was appointed by the president to attend the federation convention in Auburn. Mrs. E. E. Craig, program chairman, introduced Mrs. P. N. Lee, who addressed the club on "Gardening."

The hostess served refreshments carrying out the Easter motif during the social hour. Present were Mrs. Kyle Seale, Mrs. C. D. Gallo-way, Mrs. Tom McGaughy, Mrs. J. P. Skinner, Mrs. W. T. Evans, Mrs. E. E. Craig, Mrs. P. N. Lee, Miss Opal Payne, and Mrs. William H. Whaley. Miss Opal Payne will be hostess to the club at our next meeting.

Coosa County, Darden's home county, has never furnished a Circuit Solicitor, Circuit Judge, or even a Court Reporter. Hardegree was first nominated on the rotation principle, but since he has obtained the office he has repudiated the same, or knowingly and intentionally disregarded it. The just and equitable principle of rotation of the Circuit Solicitor's office should not be thrown into discard for Mr. Hardegree's sole benefit.

It is now Coosa County's time to furnish the next Circuit Solicitor. Mr. Hardegree to the contrary notwithstanding.

5. Darden will, as Circuit Solicitor, conduct immediate investigation of all felonies committed in the circuit without costs or expenses to the state or to the injured party, and otherwise co-operate with the Sheriff in the suppression of crime in your county.

Open and notorious gambling houses will not flourish in your county like they have for several months until recently. The Governor will not have to cite Darden as Circuit Solicitor as to his duties in this or other respects.

6. Darden does not belong to and does not believe in any political machine, clan or clique to keep a chosen few perpetually in office at the expense of the multitude. Now is the time to shatter the growing political machine in your county, and which is supporting Solicitor Hardegree for a fourth term for Circuit Solicitor.

7. The Circuit Solicitor should be free and independent in the discharge of his duties for all the people, and he places himself in an embarrassing position to solicit and receive the endorsement of any group, machine, political or otherwise. The actions of Mr. Hardegree in going before the Shelby County Industrial Union Council, on a solicited request by his County Solicitor in Shelby, on a Sunday in March, this year, and going behind closed doors and pre-

sumably making desired answers to questions propounded to him by member or members of the Council, does not appeal to the thinking voter, in securing the endorsement of the said Council. All the locals constituting the Council are admittedly and by the records of Labor Commissioner Moore affiliates of the C. I. O., headed by John Lewis, one of the worst agitators to peace, law and order in the country. Voters, think of the sit-down strikes over the country, the battle at Talladega, in which several were killed and wounded, the shutting down of the Huntsville Mills, before you vote for a Circuit Solicitor endorsed by the C. I. O. affiliates in your county. Think of what might happen at the coal mines, mills and other industries in your county should a sit-down strike be called with a Circuit Solicitor in office endorsed by these C. I. O. affiliates.

The foregoing statements have appeared in the press, in circulars and by word of mouth for some time, and Darden's opponent has not denied one of them. It is now too late for him to deny them, if he wished to, and make the public believe contrary statements.

Voters, do not be deceived by those who may be interested in retaining Mr. Hardegree in office for another four years for personal political, official or financial reasons, or by promise of favors, present or future, by trades for support of other candidates if you will vote for Hardegree, against Darden for Circuit Solicitor. Vote for Darden for Circuit Solicitor and thus serve the public interest.

Statement From Bun White Candidate For Sheriff

To the Voters of Shelby County:

I am a candidate for Sheriff of Shelby County and am taking this means of addressing the public.

I had hoped to see and talk personally with each voter and shall continue that campaign until the campaign is over. It is not my intention to miss seeing a single voter in the county but that is an almost impossible task.

I have always tried to live a clean and honest life, and my record and character are before the people of the county like an open book. I am an ex-soldier, am 42 years old, and with my experience as deputy sheriff and chief deputy sheriff of Shelby County, I feel like I am qualified to act as Sheriff and discharge the duties of the office as they should be.

If elected, I promise to serve to the very best of my ability and to work only honest, clean men as deputies. I have made no political promises other than to do my best to enforce the laws and to devote all my time to the duties of the office.

I assure every voter that I am not aligned with any group or political organization, and I have not promised any man a job. I intend to work as deputy sheriffs only those who are most capable and best suited for that work.

I am not seeking the Sheriff's office on the demerits of my opponent, but am presenting myself

as a candidate on my record and upon my merits as an officer. I have carried on a clean campaign, and if elected, I will strive to enforce the laws without prejudice or partiality.

I solicit your vote and influence among your friends on May 3rd, and will appreciate everything done for me.

Respectfully submitted,

W. B. (Bun) WHITE

POULTRY MEETING

There will be a meeting of poultry producers in Shelby County at the Courthouse in Columbiana at 9:30 o'clock on Thursday, May 5.

Mr. J. E. Ivey, Poultry Specialist from Auburn, will be with us to advise on all poultry problems. A field trip is scheduled for the afternoon.

I would like to urge all poultrymen to come to this meeting.—A. A. Lauderdale, County Agent.

More than one-fourth of the farm families in 2 southern cotton states do not have a single dairy cow, says Walter L. Randolph, in charge of AAA program in Alabama, in pointing out that this is responsible for the inadequate diet of many of the farm families in these states.

High School News

(By Bob Anderson)

The Arista Club annual banquet, held last Friday night was attended by about seventy-five faculty members and students. The banquet was given in the basement of the Methodist Church, and was served by the Girl Scout Council. The program featured stunts by each class represented in the club, a farewell talk to the Senior members by Don Vaughan, and a talk by Miss Elizabeth Seale, club president, who acted as toastmistress. After the banquet, a dance was given by the club in the High School. Music for this affair was furnished by a Rockola. The winners of the banquet stunts are as follows: first place, Junior III Class; second place, Junior I Class; third place, Senior III Class.

The Valedictorian and Salutatorian for the Senior Class were chosen Monday by Mr. Tidwell and Miss Utterback. This was based on the number of A's made in their high school career. Geraldine Williams was chosen Valedictorian with 18 A's. Elizabeth Seale ran her a close second to get the Salutatorian honors with 17 A's. These two girls will be speakers on the graduation program.

The date set for Montevallo's graduation exercises is May 31. The exercises will be held in Palmer Auditorium at ten o'clock. As yet, the main speaker has not been chosen.

The Montevallo High Latin Classes, under the direction of Mrs. F. H. Hardy, gave a banquet last Thursday at the High School. The students presented a Latin play, Latin songs, to guests including students and faculty members, as entertainment.

Mr. Tidwell announced in a Senior meeting Monday that the calling cards and invitations ordered by the Seniors earlier in the year will arrive around the first of the month.

Classes for some High School students will be dismissed for the showing of "Tom Sawyer" at the Strand in a special matinee at about ten o'clock today (Thursday).

Students in Mr. Hicks' Chemistry classes have been taking, developing and printing pictures in connection with a study of photochemistry.

The Shelby County Club Rally will be held in Montevallo Saturday, May 14, at 9:30 o'clock, at the Elementary School.

Sports Spotlight

Montevallo played a return game with Centerville Tuesday at one o'clock, and was defeated by a score of 5 to 3. All of the games which Montevallo has lost, two to be exact, both with Centerville, have been by very slight margins.

Both Russell Ambrose and Robert Comer hit home runs in the game Tuesday. Comer batted a thousand in that game, getting the homer and 2 walks.

Liddle pitched the entire seven innings for Montevallo. Johnson caught, with Ambrose, Cary, Dement, and Hartley as the other infielders. In the outfield Comer, C. Johnson, and Lovelady played.

Montevallo's next home game will be played with Siluria on Friday of this week. The game will be played on Montevallo's diamond, and will be the second home game of the season.

There was a game yesterday with Clanton.

PROPER COTTON SPACING INCREASES PRODUCTION

Auburn, Ala.—"Much of the cotton planted in Alabama should be on 2½-foot rows with 2 stalks per hill 18 inches apart," says Dean M. J. Funchess, in explaining that "our results indicate strongly that this is by far the best spacing where low to modest yields are to be expected."

"All the work indicates that where something like a bale of cotton per acre is possible the hills should be something like 18 inches apart and the rows about 3½ feet wide, with 1, 2, or 3 stalks per hill," he says. "However, where no fertilizer was used decidedly the best yield

was obtained from 2½-foot rows with hills 18 inches apart. At this spacing the yield was 124 pounds per acre greater than with the next best spacing which was 3½-foot rows, hills 15 inches apart."

The last day for Alabama farmers to file work sheets in county AAA offices so that the farm will be eligible to be covered by application for payment under the 1938 program is next Saturday, April 30.

ANOTHER CANDIDATE OPPOSED TO "HANDPICKING"

Another candidate for the State Democratic Executive Committee from the Sixth District wishes to be recorded as opposed to the so-called practice of "Handpicking."

Mr. Marc Ray Clement, of Tuscaloosa, makes this expression upon the subject:

"I am one hundred per cent for preservation of the Democratic process in Alabama and the nation. I shall always most vigorously oppose such undemocratic practices as 'handpicking of delegates.'"

I am a candidate for membership on the State Democratic Executive Committee in the hope that I may be given a chance to put forth my very best efforts to maintain always the dignity of the allegiance to the great Democratic Party in Alabama."

There are twelve candidates for Democratic Committee membership in this, the Sixth District. Eight are to be elected by ballot in the Democratic primary May 3. Two of those twelve candidates are in Shelby County, Dr. Chas. T. Acker, of Montevallo, and Mr. Paul O. Luck, of Columbiana. Claudie Pipes, of Clanton, is the candidate in our neighbor county of Chilton.

Acker and Pipes have been recorded by The Times, along with Mr. Clement, of Tuscaloosa, as against "handpicking." We have seen no statement on the subject from Mr. Luck.

Then comes, after the above was written, a letter to The Times from Nelson Fuller, of Centreville, declaring himself on the side of the anti-handpickers.

Mr. Fuller points out that, as a present member of the Executive Committee, he succeeded his father, the late Jerome T. Fuller. "While serving on the committee," he says, "I worked and voted against the hand-picking of delegates to the Democratic National Convention, and if re-elected, I will continue to oppose such undemocratic action by the committee." Mr. Fuller is the only candidate for the committee from Bibb County.

Mrs. C. E. Hoskins has returned to her home after a several weeks visit with relatives in Brewton.

Vote For Dr. J. A. Hines For State Senator

A Statement to the Voters of Shelby County:

As a candidate for State Senator from the Fifteenth District, composed of the counties of Autauga, Chilton and Shelby, I ask your careful consideration of my personal qualifications and convictions on certain outstanding questions which will confront Alabama's law-making body during the next four years.

I am using this means of addressing you through your newspaper because I know it is physically impossible for me to see all of you in person before the primary.

I am being brought out by no pressure group or faction and am free to represent all the people and interests of the Fifteenth District.

1. Personal

I am 42 years old, a World War Veteran, and a practicing physician. I have practiced medicine at Siluria in Shelby County for the past 15 years. I am a native Alabamian.

2. Public Service

I have served as a member of the County Board of Education of Shelby County since 1935. For the past four years I have been a member of the Democratic Executive Committee of Shelby County. I am a life-long Democrat, having always believed in, practiced and supported those principles which are the foundation of our party and which are our party's contribution to good government.

3. Public Education

As your State Senator I will stand for and work to guarantee in Alabama a free term of 8 months for the elementary schools and 9 months for the high schools, with continued appropriations for the causes of higher education. I endorse the A. E. A. and P. T. A.

DR. J. A. HINES

program for education adequately financed. I will favor a comprehensive and adequate appropriation for education with full guarantee that school money shall be used for the schools. I believe education should be a primary function of government.

4. Taxation

I will favor keeping the present exemption of homesteads from state taxes, and also the extension of this exemption to apply to county and local taxes. I will favor a substantial reduction in the automobile tag tax. I will favor a reduction in the state gasoline tax. During the Miller administration this tax was increased two cents per

gallon to meet the falling revenue of the state at that time. At the present time the proceeds of this tax after eliminating the two cents will produce more revenue than in the peak year of 1929. Tourists are being advised to avoid Alabama on account of our excessive gasoline tax. This should not be. I will be in favor of keeping the present state sales tax only if, after enforcing rigid economy, it is found that public education, farm extension work, and other important state agencies cannot be adequately financed without the sales tax. I think I know it is a fact that Alabama's government can be efficiently and effectively operated cheaper than it is being done at present. Insofar as I may be able, in the Senate I shall seek to establish such measures of economy as will prevent useless expenditures of public funds, and at the same time safeguard the future success and proper function of the essential phases of our state government.

5. Reapportionment of Legislative Representation

I will favor reapportionment of legislative representation in conformity with the state constitution.

6. Secret Ballot

I will favor a modification of our ballot law to insure a strictly secret ballot.

I respectfully solicit your vote and influence and assure you that if elected, I will strive to represent all the people of this district conscientiously and impartially.

DR. J. A. HINES

(Paid political adv. by Dr. J. A. Hines, Siluria, Ala.)

YOUNG MEN OF ALABAMA ENLIST AS FLYING CADETS

The Honorable Pete Jarman, Representative of the Sixth District of Alabama, this morning said that it was very gratifying to have so many young men of Alabama apply for admission as Flying Cadets to the Air Corps Flying School, at Randolph Field, Texas.

Mr. Jarman said there was still plenty of time for young men to apply for admission to the class starting July 1st. In order to be admitted a young man must be single, have reached the age of 20 and not reached his twenty-seventh birthday, a high school graduate and pass a physical and mental examination. If he has completed two years or more of college, no mental examination is required. For further information and application blanks, Mr. Jarman suggests that young men apply to the nearest Regular Army Officer.

MATTRESS MAKING IS POPULAR IN ALABAMA

Auburn, Ala.—By making their own mattresses, hundreds of Alabama farm women are adding to the comfort of their homes and at the same time are helping use the surplus cotton produced on their farms. During 1937 a total of 1,909 mattresses were made in the state.

"This work is being encouraged by county agents throughout Alabama," says P. O. Davis, director, Alabama Extension Service, in expressing hopes that more rural women will join in the movement to make mattresses at home.

If each of the 275,000 cotton farmers in Alabama were to use 45 pounds of cotton in making a mattress, they would use about 25,000 bales of cotton. Should this be extended to the 2,000,000 cotton farms in the south, about 90,000,000 pounds or 180,000 bales would be consumed," he says.

"Our records show that women owning their own cotton can make an excellent mattress for a cash outlay of less than \$2.00 for ticking, thread, and buttons," says Nell Pickens, home management specialist, Alabama Extension Service. "It takes between 40 and 45 pounds of cotton to make a mattress. Figuring this at 9 cents per pound, the cotton would be worth about \$4.00, making the total cost of the mattress less than \$5.00. It would be worth several times this amount when completed."

"Three or four women can make a mattress in three or four hours," she says. Women interested in making mattresses may obtain full information from home agents.

A Statement to the Voters of Shelby County from J. M. Lyon

To the Voters of Shelby County:

I wish to mention some of the things the Board of Revenue has accomplished since I took office as President in 1935. I feel that the voters and tax payers should know just how the affairs of the county are being handled.

1st. When I took office the Board had been paying 5 per cent interest on the temporary loans obtained from local banks, the first year the principal loan was \$45,000. I took the matter up with the local bank and got this interest rate reduced to 5 per cent which was more than \$400.00 savings.

2nd. There was to the credit of the sinking fund more than \$23,000 on deposit that was drawing no interest at all. I took the matter up with the banks and obtained 2½ per cent interest on this deposit, which brought in more than \$400.00 per year.

3rd. We have bought 38 of our own bonds of \$1,000 each, thereby reducing the amount of interest due each year by over \$2,000.00.

4th. When I took office the Board had an indebtedness of \$411,357.37 and today the indebtedness of the county is only \$321,000.00, which is a reduction of over \$90,000.00 over a three year period.

We have also spent a considerable amount for the purchase of additional office space, improvement to county property and right of way. We bought the old courthouse property for \$3,000 to be used as office space for Health, Welfare and Farm departments. We have had the jail made escape proof at a cost of \$11,000 and have had a new roof put on the courthouse at a cost of \$1,000. We have also bought right of way for Birmingham and Montgomery Highway, Florida Short Route, Road No. 25 from Vincent to St. Clair County line and bridge at Montevallo, and all of the above has been paid for in full.

We have the best road equipment of any county in the state

compared to the size of our county. We have the following equipment for the maintenance of the county roads: 2 shovels, 6 graders, 6 tractors, 3 patrols and 21 trucks, all practically new. We have purchased 2 terracing machines for the farmers of the county. We have built 17 concrete bridges, 66 rock culverts, and put in three carloads of iron culvert pipe to drain the roads.

The road program of the county is in full speed ahead for the graveling and widening of all county roads. If you will only look back a few years at the roads of this county, and then look at today's roads, you will note quite an improvement in all county roads.

The above facts are given for your consideration and it will be appreciated if you will study these figures before casting your vote on May 3rd.

I am asking the voters for a second term on the above facts. The above facts should be known by every tax payer and voter of Shelby County.

Sincerely yours for good government,

J. M. LYON

(Paid political adv. by J. M. Lyon, Columbiana, Ala.)

FARMERS URGED GROW OWN PLANTING SEED

Auburn, Ala.—J. C. Lowery, agronomist, Alabama Extension Service, is urging all Alabama farmers to plant seed patches so they will not have to purchase all of the planting seed in 1939.

He is also advocating that farmers take care of kudzu so that the plants will produce crowns for setting in future years.

The highest producing dairy herd in Alabama during March is owned by J. C. Beene of Huntsville. The cows were fed a grain mixture of 200 pounds of 24 per cent commercial dairy feed and 100 pounds of crushed corn. The roughage consisted of silage and soy bean hay.

CARD OF THANKS

We wish to thank our many friends and relatives for the kindness and sympathy shown us during the death of our infant daughter, and also for the beautiful floral offering.—Mr. and Mrs. Jesse Vernon.

Mrs. Ellis Hoffman and little daughter, Lois, spent several days the first of the week in Sylacauga.

FOR STATE AUDITOR

Dr. H. G. CAMP
OF WALKER COUNTY

(First time to offer for public office)

Endorsed by labor, doctors, druggists, merchants, educators, farmers, business men throughout State.

Among the duties of State Auditor is service on the State Parole Board and Board of Compromise. Most crime is caused by the mentally-physically abnormal. My medical training, business experience and knowledge of prisoners will be of untold value on the Boards of Parole and Compromise in rehabilitating deserving inmates and settling State claims.

My opponent, who draws \$300 monthly while campaigning, does not have these qualifications, therefore cannot so well serve you in this important office. Your support will be appreciated.

(Pd. Pol. Adv. by Dr. H. G. Camp, Jasper)

FITZHUGH LEE

For Associate Member No. 1

ALABAMA PUBLIC SERVICE COMMISSION

Your best interest demands Public Service Commissioners who know what you are rightfully entitled to and who have the ability and courage to get it.

Customers of private utilities in Alabama are paying \$2,000,000 LESS EVERY YEAR for their utility services than in 1934.

Fitzhugh Lee is a member (authorized by Congress) of the

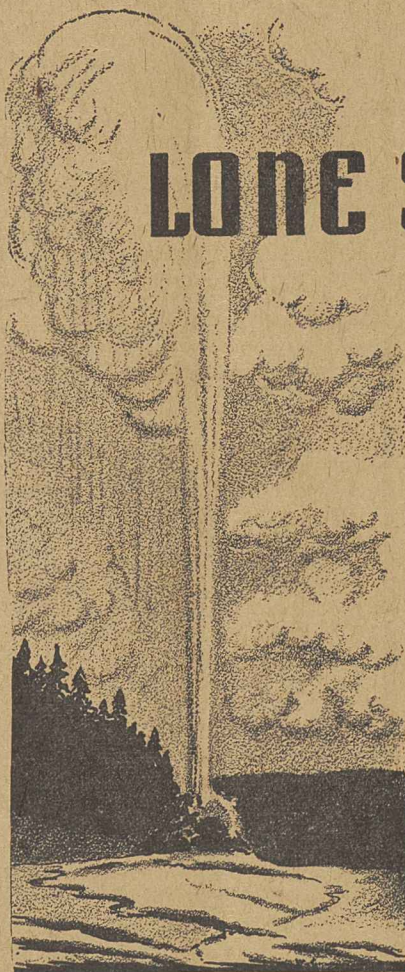

Joint Board of the Interstate Commerce Commission, and will CONTINUE HIS FIGHT FOR FAIR FREIGHT RATES for Alabama farm and factory products.

He is trained and experienced in the work of the Commission and has statewide endorsements from citizens in all walks of life.

A good record is better than campaign promises.

FITZHUGH LEE CANDIDATE FOR RE-ELECTION

Urging re-election of Fitzhugh Lee to the Alabama Public Service Commission, a state-wide committee, composed of many hundred citizens, representing agriculture, labor, and commercial interests in 86 communities of Alabama, has issued an endorsement of his candidacy. Pointing to the record he has made on the Commission, his supporters call attention to the fact that during his recent four year term, rates of transportation companies and utilities have been reduced with a total saving to consumers of approximately \$2,000,000 every year. They also urge that his experienced service is now needed on the Interstate Commerce Commission Joint Board, to which he was named by act of Congress. The committee's statement follows:

"We, the undersigned, acquainted with the work Fitzhugh Lee has accomplished during the time he has been Associate Member of the Public Service Commission, are convinced that he should be retained in his present position. He has proved to be honest, capable and courageous and is truly a representative of the people. We believe Commissioner Lee can be depended upon at all times to protect the interests of the public, and we, therefore, unhesitatingly endorse him to the people of the state for re-election in the Democratic Primary of May 3, 1938, as Associate Member of the Alabama Public Service Commission Position No. 1."

Mr. Carl Harrison of Columbiana was a visitor in town Saturday.

Present indications are that insects will be numerous throughout the country this year and will do considerable damage to crops and vegetables unless controlled by farmers.

Last year the State of Alabama spent \$13,094,382.50 for education. This includes federal funds, poll tax receipts, expenditures for free text books and the general fund appropriation for the state department of education, but it does not include the funds contributed by the counties and the cities which amounts to many times that contributed by the state. Of the amount spent by the state for education \$9,879,309.80 went to the elementary and secondary schools, while the higher institutions got \$1,568,884.86. The remainder of this fund went to extension, vocational education, the state department and miscellaneous.

Darden Thanks Shelby Voters For Their Hearty Support

To the People of Shelby County:

I wish to thank you for the uniform kindness and consideration shown me by all who I had the pleasure to see in my canvass of your good county. I exceedingly regret that I have been unable to see every voter and solicit his or her vote for Circuit Solicitor, and those I did not get to see, I trust, will take and consider this a personal call and solicitation for their votes and influences in my behalf. To the approximate one thousand voters who supported me four years ago, I wish to thank them for their loyalty and support in this campaign. Your number has increased several fold.

I want to assure my friends and supporters over your county that I have never had better and brighter prospects for a nomination. In every county of the circuit, hundreds who did not support me four years ago are doing so this time.

During the closing days of the campaign, I wish to request my supporters to continue active in my behalf, getting all to the polls and vote for me who will kindly do so.

I trust no one will be deceived by promises of favors, present or in the future, trades, combinations

JOHN A. DARDEN

by those who are personally, financially, politically, or otherwise interested in keeping my opponent in office another four years, to vote against me on May 3rd.

If I am your Circuit Solicitor, as I believe I will be, I promise you to carry out every promise I have made to you, and to make you an efficient, fair and impartial Circuit Solicitor.

Again thanking you, I am,
Yours sincerely,
JOHN A. DARDEN
Candidate for Circuit Solicitor.

L. Gerald Fulton

Candidate for Tax Assessor

Issues This Statement To The Voters

I am, as you perhaps know, the only native of Shelby County in the race for Tax Assessor. I was born, reared and educated in this county. I have had 13 years of experience in State and National banks, which I believe fully qualifies me to competently and efficiently assume the responsibilities of the office I am now seeking.

I have conducted my campaign upon a high plane, without self aggrandizement, malice, mudslinging or personal appeal to prejudice.

I earnestly request that I may

recieve your active support, vote and influence.

If I am successful in receiving the nomination on May 3, 1938, to serve my county as Tax Assessor, then I pledge to you my conscientious effort and personal attention to each voter and taxpayer, and I shall ever strive to warrant the trust and confidence you have placed in me.

Thanking you for the courtesy you have accorded me in my race, I beg to remain,

Yours very truly,

L. GERALD FULTON
